WONDER LAKE GIRL TO ILLINI GIRLS STATE

Robert Vanderstraeten Unit #1169, The American Legion, Wonder Lake, will send a Wonder Lake girl to the 24th Annual Illini Girls State which will be held on the campus of MacMurray College, Jacksonville, Ill., from June 16th to 23rd. Four hundred ninety-eight girls will attend this session.

Illini Girls State is a mythical state, patterned after the State of Illinois and following Illinois governmental procedure as closely as possible. It is sponsored by the American Legion Auxiliary, Dept. of Illinois.

The girl chosen to represent Wonder Lake will possess qualities of leadership and good character and will rank scholastically in the upper half of the Junior class of McHenry High School.

Girls sponsored in the past by Wonder Lake Unit were Lynn Wilkinson and Sue Etheridge.

MCHEMRY COUNTY HISTORICAL SOCIETY

Several histories of communities in the county have been given to the McHenry County Historical Society. Two copies of the program for the Woodstock Centennial have been given. One given by Floyd Eckert of Woodstock bears the autographs of members of the committee for the Centennial, the other copy was given by Miss Lura Wandrack of Woodstock.

A bound copy of the Huntley Centennial 1851-1951 has been presented by Miss Ida Mackeben of Huntley who was on the committee gathering the material contained in the book.

"A History of Fox River Grove from 1834 to 1950" covering every phase of the community's growth with many old time photographs of early settlers, places of business, paths that are now well paved highways and even a humorous story or two, has been presented by the gatherer and editor of the material, Mrs. Anne Koop McIlrath of Fox River Grove. It is hoped some day many of these old photographs will find their way to the society.
