

had a family get to-gether on Fathers Day to celebrate this momentous occasion along with feating my father-in-law for Dad's Day. Mr. & Mrs. Jay Evans of Streamwood and Mr. & Mrs. John Cunningham of Village of McCullom Lake were there with their children.

Two of the boys in our sub-division are out of commision. Wayne Latimer sprained his ankle and Joey Di Maggio Jr. injured his wrist. Hope to see you fel-las' hale and hearty quickly.

Hope everyone has seen the pier that the men of the Association put in with the financial assistance of the Womens' Auxiliary. It really is nice.

Another thing - It's time to pay your Association dues again. If you haven't done so, please do. It really is so lit-tle and these improvements can only con-tinue if we pay our dues.

It is also the time of the year for Auxiliary dues. We really need and want new members. Not just your dues, but you at the meetings. Everyone would be delighted if our meetings were ground-ed to over flowing. We meet the first Tuesday of every month at the Baur home. Like to see and meet some of our summer residents at the meetings too.

Well that's all for right now - God Bless you.

VIEW OF LAKE AND BEACH AS SEEN FROM THE PARK AT VILLAGE OF McCULLOM LAKE

VILLAGE OF McCULLOM LAKE
