**BLESSED EVENT AT THE AALTO'S**

A "visiting" dog at the Ray Aalto residence deposited her litter of eight cute little puppies under the house. Upon hearing the strange new sounds, the Aalto's thought some kittens had come to visit. However, when Billy went to take a pan of milk to the mother "cat", no one could have been more surprised than he was to see puppies instead.

Mr. and Mrs. Bob Knight and three children of LaGrange, and Mr. and Mrs. Art Stuhlfeier spent Thanksgiving Day at the Ben Gates home.
