**RETURNS FROM VACATION**

Mr. and Mrs. Bob Fernandez and their children, Yolanda, Gloria and Sylvia just returned from an eight day vacation to their home town Mission, Texas.

They journeyed into Mexico about three times for shopping trips and points of interest. On their homeward trip they stopped off at Houston, Texas to visit with Bob's brother and then they journeyed to Corpus Christi to spend a day at the beaches and soak up some sun. It was an enjoyable trip for them visiting with all the family but were glad to be home in the cooler climate.
