 DEAR SIR:—Please send me by express two dozen Cow Prescriptions. I got one of my neighbors to try it on a cow that was almost dead with milk fever and it cured her. It is a good thing.

AYER'S Hair Vigor
 restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.
 It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures dandruff and dermatitis, and keeps nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.
 Mrs. C. F. BARNES writes from Kely, O., July 3, 1885: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."
 J. W. BOWEN, proprietor of the McArthur (Ohio) Brewery, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. It promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."
 Mr. ALBERT FAIRBANKS, leader of the celebrated "Fairbanks Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1885: "Ever since my hair began to give every evidence of thinning, and during this time, I have used AYER'S HAIR VIGOR, and so have been able to maintain the appearance of youthfulness—matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."
 Mrs. O. A. FRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1885, says: "Two years ago about two-thirds of my hair was cut off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as the original. I regularly use but one bottle of the Vigor, but use it occasionally as a dressing."
 We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.
