TERMS OF SUBSCRIPTION.
One Year (in Advance) \$1.50
If Not Paid Within Three Months \$2.00
Subscriptions received for three or six months in the same proportion.

Rates of Advertising.

We announce liberal rates for advertising in the PLAINDEALER, and endeavor to state them so plainly that they will be readily understood. They are as follows:

1 inch one year	100
2 inches one year	150
3 inches one year	200
4 inches one year	250
5 inches one year	300
6 inches one year	350
7 inches one year	400
8 inches one year	450
9 inches one year	500
10 inches one year	550

One inch means the measurement of one inch down the column, single column wide. Yearly advertisers, at the above rates, have the privilege of changing as often as they choose, without extra charge.

Regular advertisers (meaning those having standing cards) will be entitled to insertion of local notices at the rate of 5 cents per line each week. All others will be charged 10 cents per line the first week, and 5 cents per line for each subsequent week.

Transient advertisements will be charged at the rate of 10 cents per line, (nonpareil type, same as this is set in) the first issue, and 5 cents per line for subsequent issues. Thus, an inch advertisement will cost \$1.00 for one week, \$1.50 for two weeks, \$2.00 for three weeks, and so on.

The PLAINDEALER will be liberal in giving editorial notices, but, as a business rule, it will require a suitable fee from everybody seeking the use of its columns for pecuniary gain.
