There is no use of anyone suffering
with the cholera when Chamberlain's
Colic, Cholera and Diarrhoea Remedy can
be procured. It will give relief in a few
minutes and cure in a short time. I
have tried it and know.—W. H. Clinton,
Helmetta, N. J. The epidemic at Hel-
metta, was at first supposed to be chol-
era, but subsequent investigation proved
it to be a violent form of dysentery, al-
most as dangerous as cholera. This rem-
edy was used there with great success.
For sale by G. W. Beesley, W. McHenry;
I. A. Barrus, Volo; L. M. Fenne, Wau-
conda, druggists.

A reported outbreak of cholera at Hel-
metta, N. J., created much excitement in
that vicinity. Investigation showed
that the disease was not cholera but a
violent dysentery which is almost as se-
vere and dangerous as the cholera. Mr.
Walter Willard, a prominent merchant
of Jamesburg, two miles from Helmetta,
saves Chamberlain's Colic, Cholera and
Diarrhoea Remedy has given great satis-
faction in the most severe cases of dysen-
tery. It is certainly one of the best
things ever made. For sale by G. W.
Beesley, W. McHenry; I. A. Barrus, Volo;
L. M. Fenne, Wauconda, druggists.
