## CHANGE OF LIFE

Between the Ages of Forty and Fifty is a Critical Time of Life for both

**MEN AND WOMEN**

**Kidney Diseases Cause Many Deaths During this Perilous Period**

It is not generally known that the bodies of men as well as women usually undergo great changes between the ages of forty and fifty. With some the period commences earlier and with others it is extended later. With all it is marked by the overloading of the blood with impurities arising from the marked changes that are taking place. The kidneys that filter the blood often become weak during this period, and the poisons they should have eliminated are carried everywhere with the blood, causing a train of symptoms that indicate certain death unless their cause is removed.

Here are some of the indications that the kidneys are overburdened and breaking down: flashes of heat over the face or body, backache, headache, tired feelings, indigestion, nervousness, heaviness and pains in the feet and legs, swelling of the feet and ankles, chilly sensations, loss of weight, irregular flow of urine, which may be cloudy or give a sediment on standing, hot and dry skin, coated tongue.

When any of the above symptoms are noticed, then look out for the kidneys. We know of nothing so certain to act as the right thing in the right place as FOLEY'S KIDNEY CURE. It is composed of the best known agents recommended by the highest authorities on kidney troubles. It is an honest preparation and one that is thoroughly reliable in all cases.

MRS. CECILIA STOWE, Orator, Entre Nous Club.

176 Warren Avenue, CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

**Cecilia Stowe**

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.
