GRAYSLAKE OUTCLASSED

LAKE COUNTY BOYS PUT UP A SNAPPY GAME

But Are Unable to Score Against the Strong Greens—Game Next Sunday is the Talk of the Town.

The McHenry Greens last Sunday afternoon gave the spectators another opportunity to witness a game of shut-out ball. But this time it was in favor of the local team, who by good playing and a few timely hits, succeeded in shutting out the Grayslake outfit.

The game was not quite as exciting as the one of the previous Sunday, but the spectators were given a few chances to root, especially in the eighth inning, when the Greens succeeded in crossing the home plate four times. Outside of this, however, the game was nip and tuck all the way. The Grayslake team was composed of a swift bunch of men and at stages of the game they played brilliantly. Errors on the part of the visitors were mainly accountable for the scores made. The furthest Grayslake could advance in the circuit of the bases was to the third bag, and only two of the visitors succeeded in getting that far. And these two were easily nipped off the bag by Gibbs' fine throwing.

The scoring for the Greens began in the first inning when Bending, first man up, smashed the horse hide for two bases. Voeltz sacrificed and Bending came in on the play. Gibbs fouled out and Evanson failed to connect, retiring the side. The second run of the game was made in the lucky third. Thurlwell started things by striking out. Bending came up for his second double-sacker and Voeltz drew a free pass to the initial bag. Gibbs put a grounder down to short, who threw Voeltz out at second. Bending, who had stolen third, trotted home on the deal. Evanson, through the liberality of the pitcher, was also sent to first free of charge, but Gibbs was caught at third, retiring the side. There was nothing doing on either side until the eighth inning, when the Greens clinched the game. W. Schreiner, first up in this inning, bunted the ball in front of the plate, and in trying to throw him out at first the catcher threw wild and Will got to third. The first baseman recovered the ball and tried to catch him on his way to third, but he threw wild and Schreiner came home. Thurlwell picked out one of Gordon's nice ones for a neat single and stole second while Buss was being sent to first on a pass. Voeltz flied to center, who failed to connect, but the ball was put in motion in time to catch Thurlwell at third. Gibbs sent one to Clark, who failed to connect, scoring Bending and Voeltz. Evanson lined out a single, scoring Gibbs, but was put out at third soon after. Hunter settled the inning by putting a short one down to short, who easily put him out at first.

NOTES FOR FANS.

Not a try for the outfield last Sunday. Our percentage is .666. Note worse, is it?

Gordon pitched a good game, allowing the Greens but four hits.

Voeltz at third put up a plucky game. He is a great boom to the team.

Heimer's place at second was filled in a capable manner by Hunter. Heimer is out of the game at present on account of sickness.

Olsen, the Grayslake shortstop, is in the list for honors. He is about the best shortstop who has thus far this season appeared on the local diamond.

Bending allowed but one hit and struck out fourteen men. Besides this he got two two-base hits and made three of the six scores. He easily won the day's honors.

JOHNSBURGH DEFEATS MAROONS.

The McHenry Maroons went to Johnsburg last Sunday, where they met defeat at the hands of the sturdy Johnsburg Grays. The Grays have improved wonderfully since the beginning of the season and are now turning out a good quality of ball. The game was a ten inning affair, the score being 13 to 11. The Maroons put up a rather poor exhibition but kept the Grays worrying all the time. A return game between the two teams will probably be played in the near future in McHenry. The Johnsburg boys are certainly making good and say that they will play the Greens next.

GAME NEXT SUNDAY.

The Greens will next Sunday, July 3, line up against the Chicago Three Kings. The latter team is composed of some of the best amateur players of Chicago and will, no doubt, be the toughest proposition McHenry has run up against this

season. The Greens will be there next Sunday with the strongest line-up they have yet had and will give the Chicagoites a run for the day's honors. The Three Kings are not strangers in this vicinity, as they played two games at Johnsburg last season, taking the Johnsburg and Spring Grove teams into camp by big scores. This does not worry the Greens in the least, but they will go into the game to win. The largest crowd of the season will be seen on the grounds next Sunday, weather permitting. Be one of them.

The Good Old Way.

A severe cold or attack of la grippe is like a fire, the sooner you combat it the better are your chances to overpower it. But few mothers in this age are willing to do the necessary work required to give a good old fashioned reliable treatment such as would be administered by their grandmothers, backed by Boschee's German Syrup, which was always used in connection with the home treatment of colds and is still in greater household favor than any known remedy. But even without the application of the old fashioned side German Syrup will cure a severe cold in quick time. It will cure colds in children or grown people. It relieves the congested organs, allays the irritation, and effectively stops the cough. Any child will take it. It is invaluable in a household of children.
