Russian soldiers are refusing to guard M. Witte. That man is always playing in luck.

JOHN L. SULLIVAN is no longer the greatest ever. He has neglected to have some other fellow run away with his wife.

When Secretary Taft makes a formal report on that trip of his party to the Philippines he should include a list of the engagements that ripened under his chaperonage.

MR. LONGWORTH, the fiance of Miss Roosevelt, seems to be one of the members of that congressional committee who did some good for himself on the junket to Asia.

WALTER WELLMAN'S manifestation of confidence in the administration could go no further than his decision to make a dash for the north pole, leaving the president and congress to look after national affairs. It will be their fault if they fail, for Wellman started them all right.

Millionaire's Poor Stomach.
The worn-out stomach of the over-fed millionaire is often paraded in the public print as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. For sale by all druggists. Feb. 1.

Mrs. N. J. Justen is visiting in Chicago this week.

Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For years Chamberlain's Cough Remedy has been recognized as the most prompt and effective medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by G. W. Besley.

DAVID B. HILL expresses regret that he was not given an opportunity to appear before the life insurance investigation committee. Probably he wants to know why he got only \$5,000 while Senator Depew pulled down \$20,000.

A Thousand Dollars' Worth of Good.
A. H. Thurman, a well known coal operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicines until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. It has done me \$1000 worth of good." Sold by G. W. Besley.

SENATOR BAILEY OF TEXAS declares he will not accept the position of leader of the minority in the senate. Mr. Bailey is continually giving fresh evidence of his very good judgment.

It is a sin to suffer with backache and pains over the kidneys, when a single dose of Pinesol will give relief in one night. Suffering women should heed these warnings as it is to late. Female troubles may result. Pinesol will strengthen the kidneys and bladder, cleanse the blood and relieve the aches and pains of Neuralgia, and Rheumatism. Sold by G. W. Besley, West McHenry, N. H. Petesch and Julia A. Story, McHenry.

The Grip.
"Before we can sympathize with others, we must have suffered ourselves." No one can realize the amount of suffering attendant upon an attack of the grip unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one has ever been reported that has resulted in pneumonia or that has not recovered. For sale by G. W. Besley.

It invigorates, strengthens and builds up. It keeps you in condition physically, mentally and morally. That's what Hollister's Rocky Mountain Tea will do 35 cents, Tea or Tablets. G. W. Besley.
Chas. Krone, who is working at Chas. Harrison's, had a narrow escape from being killed Friday afternoon. While driving the cows in the stable he was attacked by a bull, which managed to get him down and break his cheek bone and pull his collar bone out of joint. It would, perhaps, have been worse had not help been so near. A doctor was called and dressed the wounds, and at this writing he is doing as well as could be expected.

You will not find beauty in rouge pot or complexion whitewash. True beauty comes to them only that take Hollister's Rocky Mountain Tea. It is a wonderful tonic and beautifier. 35 cents, Tea or Tablets. G. W. Besley.

Every Two Minutes

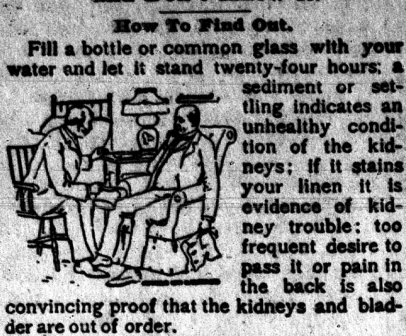

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.
Fill a bottle or commin glass with your water and let it stand twenty-four hours. A sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.
What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

How to Avoid Pneumonia.

We have never heard of a single instance of a cold resulting in pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough, but heals and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop of Agnew, Mich., writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in each case." Sold by G. W. Besley.

Our new line of Spring and Summer Samples has arrived and we are pleased to state that the line is larger and better than ever. Our aim this year is to keep the public posted on the latest styles and from time to time will tell you what we are doing, what the styles are and what they will be, what sort of goods are being worn and how you can tell a Tailor-made Suit from the made-to-your-measure garment. This week we wish to call your attention particularly to the fact that our new line of samples is here and we want every man in McHenry to see this most beautiful display. It would also be well to state here that on our \$18 and up Suits we guarantee to meet any and all competition, including Chicago prices. New Year Resolutions!

RESOLVED—That I will not let my teeth go to ruin this year like I did last year; I will save my teeth and not be compelled to wear plates like many of my friends who refused to have their teeth attended to before they were too far gone; and

RESOLVED—That I shall have the Spring Grove Dentist do my dental work. I have heard, on good authority, that his dental work is greatly superior to that of any other dentist in this vicinity. His charges, too, are very reasonable; in fact one can scarcely imagine how such high-grade work could be obtained for so little money.

Dentist, Spring Grove.
