JEWELL
Evaporator Gasoline Ranges

Talk about beauties! Say, they're so good that they won't last long because there are several newly married couples "off the gas-line" who won't be happy though married, unless they own one of these Ranges. The JEWELL EVAPORATOR RANGES are the very finest in the way of Gasoline stoves that have ever been offered to the public—they are the acme of perfection in stove construction—have so many good points that they've got to be seen to be appreciated. Will you come in and look?

STRAWBERRIES PLENTIFUL

In Arkansas, Writes E. L. Holcomb, a Former Ringwood Resident

Granitt, Ark., May 10.

Editor Plinsdale,

McHenry, Ill.

I have just received a copy of The Plinsdale containing the obituary of my aunt, Mrs. L. C. Gates, which brought back to memory my boyhood days which were spent at Ringwood and McHenry, having attended school under the tutelage of William Nickle.

I have lived on my farm in this country for thirty-two years. Made a flying trip to McHenry by the overland process some fifteen years ago, remaining in your village seven months.

This country has made rapid strides in development during the last ten years. A few years ago this country was wild, deer and wild turkey roaming at will, but now it is one vast expanse of apple and peach orchards and strawberry fields. There is one field of strawberries that produced one car load of strawberries every other day last week and nearly as much this week. This field is owned by Mr. Plank of Decatur, Ark.

If this escapes the waste basket I will write again, more fully describing characteristics, politics, religion, climate and people.

With kind remembrance, I am yours truly.

E. L. HOLCOMB.

It Reached the Spot.

Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike County, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the seat of my cough, when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at N. H. Petesch's drug store. 50c. and \$1.00. Trial bottle free.

REV. SAMUEL EARNLEY.

Presiding Elder of Rockford District is No More.

Harvard Herald: Rev. Samuel Earnley died early Tuesday morning at his home at Rockford of diabetes, with which he had been afflicted for two years. His death, however, was unexpected until last Sunday, when he was taken very ill while officiating as pastor of his church, the Winnebago street Methodist, at Rockford. On his way to the church he told his wife it would be his last sermon and during its delivery he was obliged to cut short the service, but walked home in the company of his wife. He was suddenly taken worse and sank into a state of coma, from which he did not recover nor regain consciousness.

Decedent was a native of Ireland, and would be 68 years old next July. In 1873 he entered the ministry in Illinois, joining the Rock River conference, and from that time until his death was one of the most forceful and effective clergymen in the Methodist denomination in northern Illinois, where he was well known, for he served both as pastor at many places and for six years was presiding elder of the Rockford district. Richmond, Woodstock and Hebron were places where he occupied pulpits in his early days in the ministry. Later he served in churches at Elgin, Aurora, Rockford, Belvidere and other places of like class.

For two years he had been aware of the presence of diabetes, but said very little of his ailment, preferring to "die in the harness," as he expressed it. When he retired from the presiding eldership of the Rockford district a year ago last fall he was advised by physicians to take life easier, but he had led an active life and could not bring himself to the thought of not being at work, the profession he had chosen being so near to his heart that he continued in the ministry almost to the hour when death called him.

Fined \$200.00.

Libertyville Independent: Joseph Amann and Edward Brown, both of Round Lake, were Friday, on complaint of the state, fined \$200 in the county court for selling liquor without a license in the vicinity of Round Lake. Both plaintiffs paid their fines and left immediately for their homes in the country. This is the first instance in some time where a resident of the county had been caught in the act of selling booze without a license. The plea put up by both men was something pitiful, inasmuch as there was nothing to their defense. They were given the usual warning following the payment of the fines imposed.

A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California. Two 25c. boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at N. H. Petesch's drug store.

Often The Kidneys Are

Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y.
