ROUND LAKE IS EASY.

The Round Lake baseball team, which was here last Sunday to cross bats with our boys, proved to be the easiest proposition that has faced the locals this season. The score at the close of the game was 21 to 1, but should have been a shut-out and would have been had not the Johnsburg boys switched their line-up in the last inning of the afternoon matinee. Miller, the curly-haired gent who has made every team that has faced him thus far this season look foolish, was again on the mound for the German's and the way he had the visitors swinging at his speedy twisters was a joke. Next Sunday the Johnsburg boys will face a team that is more in their class, the Chicago Imperials. The Chicago team is made up of a fast bunch and last year succeeded in putting one over on the Richmond team. The Johnsburg team is in fine fettle for the contest and if the visitors win they will have the satisfaction of knowing that they had met a real baseball team. The game will be called at promptly 2.45 p. m. General admission, 25 cents; ladies and children, 15 cents. Turn out and watch the coming McHenry county champions in action.

Doctors gave her up and all remedies failed till Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c at N. H. Petesch's, F. Masquelet's and others.
