"THAT ALWAYS HAS IT"

GOING from store to store in search of some new remedy, toilet preparation or other items usually carried by druggists, is not a pleasant experience. For years we have kept right up-to-date regarding new articles which are constantly being placed on the market. We stock all the worthy ones and usually have them on hand as quickly as the stores located in large cities. We realize the importance of service and constantly strive to live up to the reputation we have gained.
