Volume 59. M'HENRY, ILLINOIS, THURSDAY, AUGUST 31, 1933 NO. 14

M'HENRY SCHOOLS READY TO WORK

COUNTY SCHOOL LEVY IS CUT TO $129,000

The Community high school had its yearly registration on Monday, Tuesday and Wednesday of this week and it will be interesting to note how many this year choose to take advantage of the advanced educational facilities offered by our community.

The high school has seen a steady growth during the past several years, enlarging from eighty five pupils when the high school was first organized to approximately 200 students at the present time. Each year the enrollment has increased gradually until at the present time it indicates an increase of over 100 per cent during the past ten or twelve years.

This increase in enrollment is almost entirely due to an increase in the proportion of eighth grade graduates who attend high school. Each year finds a larger proportion of the eighth grade graduates continuing their education in high school.

The Senior class of 1931 remains the largest in the history of the school with an enrollment of forty-five graduates. Previously the largest class to graduate was a class of thirty-six pupils and at the time the high school was organized the graduating classes averaged from twelve to eighteen.

These facts indicate that not only are the pupils entering high school, but a very good proportion of them are completing their four year's work at the local school.

No child ever regrets having attended high school and parents should encourage their children to attend school.

The teachers will return the last of this week and everything will be in readiness for the opening of school on Sept. 5.

The rural schools in this vicinity will also commence their sessions next week and school buildings are being cleaned and put in readiness to receive the children of the various grades next week.

Rural Teachers To Meet

Saturday, September 2, has been set as the date for more than 125 rural teachers to meet in session at the Central school at Woodstock for instructions and supplies for the opening of the new school year. The meeting has been called by County Superintendent Ethel C. Coe and is the first in a series to be held through the year, replacing the usual institute

Primary, intermediate and advanced group classes for rural instructors to be held at Woodstock Community high school have been scheduled as follows: Primary, Sept. 22, Nov. 10, Jan. 12 and Feb. 23; intermediate, Sept. 29, Nov. 17, Jan. 19 and March 2; advanced, Oct. 6, Nov. 24, Jan. 26 and March 9. Also on the teachers calendar for the year is the northeastern divisional meeting of their state association Nov. 3 at Joliet.

The community chairman for school in the McHenry high school district is George Tonyan.

St. Mary's School

St. Mary's school will open on Sept. 5, also, with an enrollment of about 200 pupils. Four of the Sisters if St. Francis teach at the school and their number will be increased this year by the addition of a new teacher of music, who, in addition to giving lessons on th piano and violin, will teach music at the school and be in charge of the church choir.

Beginners at St. Mary's school are requested to come to the Sisters home on Friday of this week or Sunday to register.

School Levy Cut

The share of direct general tax funds collectable next year, which will be distributed to twenty-two high school and county elementary districts, cities and villages, will be cut from $561,558.81 to $432,735.88, it is shown in certificates of levy on file at the office of County Clerk R. D. Woods.

The reductions voted in appropriations for education and building maintenance by district boards result, it is said, from rising public sentiment for lower taxes and from provisions of the recently enacted state law, which fixes the maximum for each district at an average of the levies made during 1928-31.

The county high school levies, with the exception of Crystal Lake district 155, amount to $230,050 for 1933 as against $339,670 last year, Municipal grade schools are to raise $202,684.88 as compared to $221,888.81 in 1932. The total reduction for both high and elementary districts is $128,888.81, an estimated 22 per cent.

The comparison for McHenry high school district 156 is $26,750 for 1933 and $34,425 in 1932. In the grade schools, McHenry district 15, for 1933 is $13,500 and $14,000 in 1932.

About 2,500 pupils are expected to be enrolled in the schools of McHenry county and 125 instructors are on the teaching staff. There are 117 elementary district schools in the county.

NOTICE

Bids will be accepted for Mail Messenger routes from McHenry postoffice and C. N. W. Ry. Depot and exchange pouches between McHenry and West McHenry postoffices. Forms for bids can be obtained up to and including Sept. 5 from either Postmaster. *14

MARTIN SMITH DIES SUDDENLY IN STORE

Friends and relatives of Martin Smith, nearly 62 years old, were shocked at his sudden and unexpected death about 1 o'clock Monday afternoon, just a few hours after his return from a several months' visit at Billings, Montana.

Mr. Smith went to Billings, Mont., last April on a business trip and returned unexpectedly Monday forenoon, arriving at the home of his sister, Mrs. M. J. Freund, from Crystal Lake, about noon, stating that he had returned to stay and would now make his home here.

After eating a good dinner he went upstairs to his old room for about half an hour and then coming down he walked down town to the Smith Brothers store on Green street, where he was engaged in visiting with his brother, Louis, and niece, Emily Smith, when he suddenly fell to the floor and died within a few minutes. Although a doctor was called nothing could be done to revive him after the fatal heart attack.

An inquiry was conducted by Coroner E. H. Cook at Jacob Justen & Sons undertaking parlors Monday afternoon.

One of a family of twelve children, Martin Smith was born at Johnsburg on November 11,1871, the son of Mr. and Mrs. Frank Smith. Here he lived until about twenty years ago when he went to Montana, where he made his home until September of last year, when he returned to McHenry, seeing his relatives after a separation of many years.

His mother died thirty-eight years ago on March 18 and then the family circle remained unbroken until the death of his brother, Will Smith, on March 6, 1931.

He is survived by his aged father, Frank Smith, now 89 years old; six brothers, Peter, Fred, Math, Louis, Edward and Arthur of McHenry and four sisters, Mrs. M. J. Freund, McHenry, Mrs. L. N. Baer, Chicago; Mrs. M. J. Mullenbach, Stacyville, Ia., and Mrs. H. A. Steinsdoerfer, McHenry.

Funeral services were held this Thursday morning at 10 o'clock at St. Mary's church, McHenry, with burial in the family lot at Johnsburg.

AGED LOCAL WOMAN DIED MONDAY NIGHT

Mrs. Anna Frisby, 88 years old, a resident of the United States for 79 years and of McHenry for approximately 50 years, died at her home in this city, Monday night, after a long illness.

She was born in Kilkenney county, Ireland, March 1, 1845, and came to America when she was nine years old.

Her husband and four children preceded her in death. She is survived by eight children: Michael and Walter Frisby and Mrs. Alice McOmber of Sioux Falls, S. D.; Mrs. Margaret Curly of Tea, S. D.; Mrs. Nellie Jensen, Woodstock, Thomas and Joe of Chicago and Robert of McHenry.

Funeral services were held this Thursday morning at 9 o'clock at St. Patrick's church, with burial in St. Patrick's cemetery.

ANOTHER APPEAL TO KEEP CHILDREN OFF THE STREETS

With large lawns on every side, yet the children of McHenry continue to play in the street, endangering their lives and making many a tragdey emminent and avoided only by the watchfulness and skill of the drivers of automobiles.

In many cases a child has been seen to dart across the street directly in the path of an approaching car while squealing brakes and the skill of the driver prevent an accident of perhaps fatal consequences.

There is no excuse for children in McHenry to play in the streets with every home surrounded by a yard large enough to furnish a play ground for the children of the family. Parents, the motorists of McHenry appeal to you to keep your children off the streets..

F. ORR UNDERGOES OPERATION

Word was received by Supt. C. H. Duker today that Coach F. S. Orr recently underwent an operation for appendicitis at Waterloo, Iowa. Friends who desire to write Mr. Orr can address him at 2503 Olive street, Cedar Falls, Iowa.

NIGHT BLOOMING CEREUS

Mrs. Ben Miller, corner of John and Center streets, has a rare and beautiful Night Blooming Cereus which will open tonight about 9 and will be fully opened by 12 p. m. Anyone interested in witnessing this unusual event is welcome to do so.

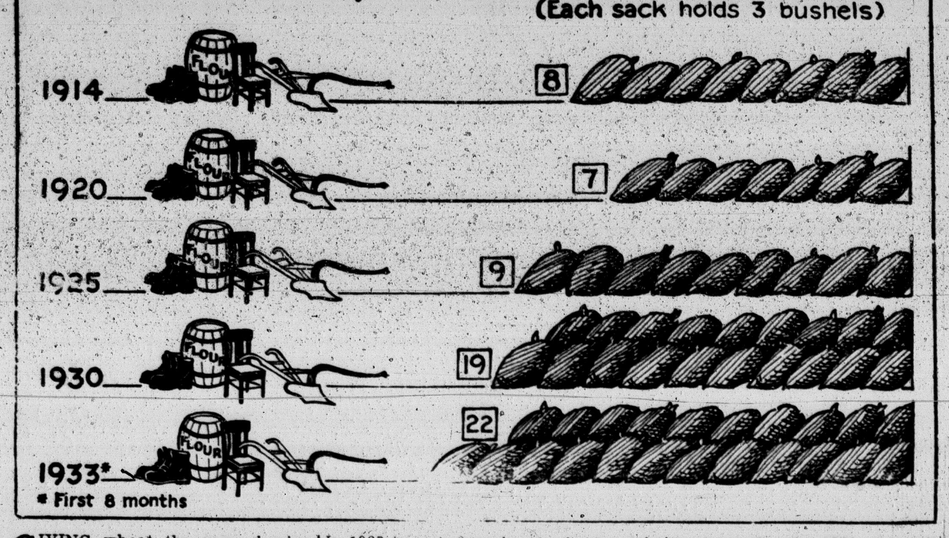
ENTERTAIN AT LUNCHEON

Mrs. Thomas Kane was hostess to a party of ladies at a delicious chop suey luncheon served at one o'clock on Tuesday afternoon. Three tables of bridge were in play during the afternoon and prizes were won by Mrs. M. J. Schmitt, Mrs. W. G. Ricks, Mrs. Whiting, Mrs. Fleischauer and Mrs. Lillian Cox.

WEENIE ROAST AT LADIES' AID

The next meeting of the Ladies' Aid society will be held next Thursday afternon at the home of Mrs. William Spencer, where a weenie roast will be held and outdoor games enjoyed. Each member is requested to invite one or more guests and a large attendance is desired.

Buying Power of Wheat



GIVING wheat the same buying power that it had in the period before the World War is the goal of the Agricultural Adjustment Administration. This chart shows how big the problem is. In 1914 8 sacks of wheat would buy a pair of shoes, a barrel of flour, a chair, and a plow. In 1925 it took 9 sacks of wheat to buy the same set of articles. In 1930 it took 19 sacks of wheat and early in 1933 it took 22 sacks of wheat. The cause of the low buying power is too great a supply. To remedy the situation, the Agricultural Adjustment Administration has begun a campaign asking farmers to reduce their acreage for the 1934 and 1935 crops so that the return from a bushel of wheat will be once more what it was in the pre-war period, in its power to buy the goods which farmers need. The goal of the wheat administration is the 1914 basis, on which 8 sacks of wheat would buy the bill of goods pictured here.

McHENRY INCORPORATED SIXTY-ONE YEARS AGO

August seems to be a month of birthdays, and now with the last day of the month fast slipping away, we find as we survey the happenings of the month that the city of McHenry, not to be outdone by its individual residents, should have celebrated in honor of its sixty-first birthday anniversary.

It was sixty-one years ago in August, 1872, that McHenry was incorporated as a village and although that was not so long ago, yet many changes and improvements have taken place up to the present time.

McHenry had already grown to a place of considerable size at the time of its incorporation when in that day of the long ago, candidates for office made their stump speeches to a few gathered voters while now there are nearly two thousand possessors of the great American franchise numbered in our midst.

At the first election held by the authorized voters of the village of McHenry the following officers were chosen: President, Richard Bishop; trustees, J. B. Perry, J. M. McOmber, H. C. Smith, John King and F. K. Granger; clerk, Michael Keller and treasurer, Henry Colby.

Since then our old home town has shown advancement in every phase of life, with an increasing population, a steady growth of building and an ever widening trend towards modern progress.

Sixty-one years is a long time in the history of a village and there are perhaps only a few left who remember the first cabinet of officers of McHenry, yet their descendants are now some of this city's active and highly respected citizens.

Previous to the incorporation of the city, manufactories, churches and schools had become well established. In the same year of its incorporation a grist mill was built by Wm. Hanley in 1881 a butter and cheese factory was started, in 1882 a brick manufacturing plant was built and in 1873 a lumber yard was established and in 1874 a pickle factory was built.

And so it goes, as we follow up through the years we see a continued picture of progress and prosperity. At the present time we find a city of paved streets, new bridges, modern buildings and a city to which thousands of visitors come every year.

Mrs. C. F. Pich, Riverside Drive at Pearl street, has just received a shipment of Fisk Millinery. Nobby assortment of fall styles moderately priced. It will pay you to see me before going elsewhere. 14-fp.

CHICAGO BOY BREAKS ARM

Howard Krueger, 13-yead-old son of Mr. and Mrs. Herman Kreuger of Chicago was sitting on the running board of the family car while spending the day at Griswold lake, when his brother, sitting in the front seat of the machine, set the car in motion and threw Howard to the ground. He suffered a compound fracture of the left arm at the elbow. He was taken to the hospital at Libertyville.

LADIES PLAY BRIDGE

Mrs. M. J. Schmidt entertained a group of ladies at a one o'clock luncheon Friday afternoon. Three tables of bridge were in play and prizes were awarded at the close of an enjoyable afternoon.

WEDDING DANCE

A wedding dance will be held at Frank Nell's Pavilion, Johnsburg, Saturday evening, Sept. 2. Music by Gus Ueber's 5-pice orchestra. Admission 50 cents per couple. Everybody invited. *13-2-fp.

ENTERTAIN CLUB MEMBERS

Mrs. Maud Clark entertained a party of Home Bureau and 4-H Club members at her home on Route 20, west of McHenry Wednesday afternoon of last week.

PLAN FURTHER RIVER PROJECTS

MEETING AT ELGIN ON FRIDAY EVENING

Members of the Fox Chain of Lakes and River commission will meet with officers of the Fox Valley federation and the mayors of cities, presidents of villages and sanitary district boards in all towns between Antioch and Ottawa at the Elgin city hall the night of Friday, September 8, for the purpose of considering needed state and national legislation designed to improve and beautify the lakes region and Fox valley.

Members of the commission, which was organized by the fifty-eight general assembly, included Chairman Richard Lyons, Mundelein; Representative John Petit and Senator Arnold Benson, Batavia; Representative Edward Skarda, Chicago; Senator James J. Barbour, Evanston, and Rep. W. E. C. Clifford, Champaign.

Invitations Sent Out

Notices to all interested parties to attend the meeting, the date and place of which are tenative, have been sent out by E. A. Keplar, secretary of the Fox Valley federation.

In the meantime the federation will assist any person or group in preparing plans or proposals for proper presentation at the meeting and will attempt to unite those groups advocating similar recommendations.

Members of the legislative commission made a tour of inspection through the chain of lakes which form the headwaters of the Fox river three weeks ago and will be prepared to offer suggestions and recommendations to the municipalities in that area represented at the Elgin meeting.

May Force Sewage Plants

The commission reminded that the state at the next session of the legislature may compel all municipalities without adequate sewage disposal systems to install such equimpent and that now would be a highly advantageous time to initiate these improvements. They urge that cities take advantage of the federal governments set up of a $3,300,000 corporation under the national recovery act from which governmental bodies may receive cash grants and loans with which to perform public works.

One of the plans advocated by the commission and the Fox Valley federation is cleaning up of the river by the reforestation army and the construction of an artificial lake or reservoir in the upper lake regions to insure a steady flow of water through the river channel the year around. This is one of the projects to be discussed at the September meeting.

EMPIRE THEATRE TO RE-OPEN

The Empire theatre of McHenry is scheduled to re-open within the next two weeks under new management. The installation of new sound equipment is now on its way and will include such features as wide range and high fidelity, which will assure a perfect sound reproduction. The management has arranged to show the latest and best productions obtainable. Watch next week's paper for opening day and program thereafter.

FELTZ-FREUND

Miss Esther Feltz, daughter of Mr. and Mrs. Wm. Feltz of West McHenry was united in marriage Saturday to Mr. Clarence Freund, son of Mr. and Mrs. Jacob J. Freund of Spring Grove at Spring Grove. Miss Feltz has been employed in the office of the Farmers Oil association at West McHenry.

LADIES—Fall showing of hats and the new berets, in all head sizes, 98c to $2.50. Mrs. Margaret M. Freund, Adams Store Johnsburg. 14-fp

FINAL BAND CONCERT PLAYED LAST FRIDAY

A large crowd of attentive and interested listeners enjoyed the final band concert Friday evening with Harry Brooks of Chicago, cornet player, as soloist for the evening. The great applause which greeted the appearance of this noted cornet player and the encores to which he responded were proof of his popularity, and his beautifully rendered solos were a treat for his many listeners. Mr. Brooks, who wore a band uniform, told his listeners that he had played at A Century of Progress all afternoon, arriving in McHenry only in time to appear at the concert.

The band concerts have been most successful this year and many people have attended them and enjoyed the beautiful music.

W. M. Crouch of the McHenry Floral company, deserves much credit for his work in parking the cars at the concerts in West McHenry and by his method of roping off a space in front of the band stand did away with much of the unnecessary confusion of passing automobiles, allowing interested listeners to enjoy the music.

AMONG THE SICK

George Wirfs has been suffering at his home on Richmond road with sciatic rhumatism for several days.

John Givens has been confined to his home for the past few weeks by illness but is slightly improved.

Mrs. Leo Blake and infant daughter, Dorothy Ann, returned home from Woodstock hospital, Tuesday.

Pat Conway is confined to his bed at his farm home, south of McHenry.

Mrs. Herbert Freund has been ill for several weeks.

Mrs. Henry Heimer has been at the Woodstock hospital several weeks, where she expects to undergo an operation in a few weeks.

Edmund Knox is confined to his bed at his home on Waukegan street,

Peter Wirfs, McHenry policeman, is still at Woodstock hospital, where he is recovering from injuries received in an automobile accident several weeks ago. The cast has just been removed from his leg and he will remain at the hospital a few weeks more.

FESTIVAL IS SUCCESS

The one-night festival held Saturday night for the benefit of St. Patrick's church on the church grounds, was a big success and attended by a fine large crowd of merrymakers. Ideal weather made it possible for everyone to enjoy the amusements, including the ever popular game of bingo, and attracted many customers to the tempting display of bakery goods, which sold readily. Out of town visitors were present and the members of the various committees feel well repaid for their work.

BEGINNERS TO REGISTER

Beginners at St. Mary's school are requested to go to the Sisters home either Friday or Sunday to register.

BUSINESS BUILDING FOR SALE

The Liquidating Committee for the People's State Bank of McHenry offer for sale the building formerly used by the People's State Bank as a banking house, and the land on which the same is situated on Green street in the City of McHenry, Illinois, and solicit bids on same.

Bids should be addressed to the undersigned Committee and may be left at the West McHenry State Bank, West McHenry, Illinois.

Bids will be received up to September 15, 1933, and the Committee reserves the right to reject any or all of said offers.

LIQUIDATING COMMITTEE FOR PEOPLE'S STATE BANK OF McHENRY.

MARKET EMPLOYES ENJOY OUTING HERE

A delightful days outing was enjoyed by the Novaks Stockyards Market employes at their annual picnic held at Nell's park at the Johnsburg bridge, Sunday. The event was sponsored by Peter W. Frett of the Tri-County Produce company of McHenry and a total of forty-five men gathered for the annual event and were loud in their praise of Mr. Fretta choice of location. The afternoon was spent in baseball, swimming and playing cards and lunch was enjoyed under the big shade trees on the beautiful Fox river. Members of the party included the genial owners of the group of forty meat markets in Chicago, Walter Novak and John Novak, with the third member of the firm, Joseph Novak, unable to be present because of other important business elsewhere.

After supper the members of the party left for Chicago by car. The McHenry photographer was on hand with his camera and the result was a wonderful picture of a happy bunch of boys.

The Novak Stock Yark Market Co., has been very good to our local produce company, giving them some fine orders and in an interview with Mr. Frett he stated that it is due to their generous orders that he is able to employ from six to nine local boys regularly.

The Tri-County Produce company is expanding into an ever growing industry and is giving employment to several in our city. The company has an invitation from a nearby town to move there, but their leaving McHenry would mean a great loss to those who are now earning a weekly wage from the company as well as a loss to the city in general.

MUSKMELON BREAKS RECORD

A muskmelon weighing 16 pounds! Believe it or not, this is the sort of melon raised by Jacob H. Adams and displayed in this office on Monday, and, seeing is believing, you know. This banana melon was a beautiful golden yellow in color and looked very tempting, indeed, being an unusual specimen in size and shape. A feature of the melon was the presence of the name "banana melon" which had been cut into the rind when the melon was small and as it grew the letters expanded making some perfect carving.

On Tuesday the melon was taken to Sister M. Baptist at St. Mary's hospital, Racine, Wis.

GIRL THROWN FROM HORSE

Miss Dorothy Fedderson 18-year-old daughter of Mr. and Mrs. F. W. Fedderson of Highland Park, was seriously injured in a fall off a horse near Pistakee Bay on Tuesday of last week She was taken to the hospital in Waukegan. The girl was thrown when her mount stumbled and Miss Fedderson suffered a fractured skull and concussion of the brain. She was in an unconscious condition and she had failed to improve the following morning.

Mr. Fedderson is in charge of the transfer department of the Cord motor corporation.

WIFE SEEKS DIVORCE

Frank A. Rossdeutcher, Solon Mills, is accused of excessive use of intoxicating liquor in a divorce bill filed in circuit court Thursday by Mrs. Frances F. Rossdeutcher.

They were married in Woodstock on October 8, 1927, and parted June 5, when Mrs. Rossduetcher went to live with her parents. Besides divorce she requests an injunction to restrain him from visiting her and asks custody of the three children, Betty, 8 years old; Jean Ann, and Gerald, 2 years. She also asks alimony in the bill filed by Attorney Russell Allen.

FORDS WIN AT ELGIN

The first seven places in the stock car race at Elgin last Saturday were copped by Fords. The winning cars thundered over the 203 mile course at a speed of 80.22 miles per hour for the entire distance. The winner was closely followed by six other Fords, all of whom averaged better than 76 miles per hour, including stops.

BAKE SALE

Fox River Valley Camp, R. N. A., will sponsor a bakery sale Saturday, Sept. 2, on Green street, south of the bank building. 14-fp

ANOTHER TWILIGHT GAME TONIGHT

Another twilight baseball game will be staged tonight at the McHenry Ball Park, beginning at 6 o'clock sharp, between the same teams that played a few nights ago—the East and West Side business men.

The score at the last game was 20 to 19, in favor of the East Side. Those who attended were well entertained and highly praised the program put on by the old-timers. The admission was 25 cents and the spectators sure got their money's worth.

The game tonight promises to be even hotter than the last, as the Westerners are out for revenge.

Remember, all the gate receipts are turned over to local charitable organizations, to be used during the winter months.

Be there at 6 tonight.

WEEKLY EXCHANGE ITEMS OF INTEREST

TAKEN FROM COLUMNS OF OUR EXCHANGES

Dr. Phineas A. Reine, veteran physician in McHenry county, passed away at his late home in Union, Friday evening, Aug. 18. Dr. Reine was seriously injured June 28 of this year in a fall from a window at his home, and this hastened his death.

Robert Lee, 14, son of Rr. and Mrs. R. W. Lee, Chicago, suffered a badly torn left leg last Tuesday evening when the limb was cut while the boy was going down a slide at a local beach. A local physician found it necessary to take ten stitches to close the ugly wound.

Miss LaFern Biechele, Barrington, slipped and fell from the ladder on the high dive at the swimming pool Tuesday afternoon of last week, and received painful injuries. Her left ankle was sprained and her right knee injured. Miss Biechele was badly injured and is confined to bed.

Dr. Leslie B. Jolsyn, son of Mr. and Mrs. E. O. Joslyn of Marengo, was fatally injured last week Friday afternoon when a plane in which he was flying alone crashed as he tried to land at Elmhurst airport. Witnesses said that he started his landing while the plane was still about 2,000 feet in the air.

Two automobiles collided head-on in a smoke screen on Dundee road near the grade separation over the Northwest highway Wednesday afternoon of last week, resulting in injuries to three persons and two badly wrecked cars. Drivers of both cars were blinded by smoke arising from a weed and grass fire along the road.

Dwaine Hoeg, 36, resident of New Boston in Mercer county, born and reared at Richmond, Ill., will receive a legacy of $250,000 from the estate of Mrs. L. MacDonnoes, Chicago, Santa Monica, Cal., resident as a reward for his heroism in saving her from drowning at Twin Lakes in Wisconsin early on the morning of July 8, 1918.

John Miethke, resident of Harvard and employed as a section hand for the North-Western railroad, had his left eye removed at Mercy hospital, at Janesville, Aug. 19. While engaged in track work Miethke was struck by an iron instrument and as a result of the injury it became necessary to remove the eye. Meithke is a brother of Mrs. Eric Seagren.

William Tenner, Chicago, a truck driver, was seriously injured and narrowly escaped death last Friday when the rim on a tire he was pumping up flew off and struck him in the face. The accident occurred at a Marengo service station where he had stopped to service his truck. Force of the flying rim fractured Tenner's jaw and knocked all the teeth out on the right side of his face.

Wesley Garbutt, 23, of Libertyville, was killed last week Thursday evening when a terrific windstorm snapped off a large tree and sent it crashing on top of his automobile. The freak tragedy occurred on Milwaukee avenue, south of Libertyville. Garbutt suffered a badly crushed chest. He was taken to the Libertyville hospital, but died shortly after arrival there. His car was entirely wrecked.

Several persons were injured Tuesday afternoon of last week when a Cadillac sedan driven by Sol Orenstein, Chicago ,struck the rear end of a Ford truck in which Fred Chvatal and his son were about to turn into their driveway near Lake Corners, on Rand road. Mrs. Orenstein was cut on the right ankle, her left leg was bruised and her chest injured. Mrs. Anna Marco, Chicago, an occupant of the Orenstein auto, sustained bad cuts on both knees. Mr. Chvatal escaped injury but his small son was cut about the face, requiring several stitches.

Caught in the act of stripping a stolen automobile near the William Waller farm in Cuba township, Milton Svoboda and Edward Dales, alleged Chicago auto thieves, were shot last week Friday evening by Special Deputy Sheriff Milo Kelsey. Both were taken to an Elgin hospital, Svoboda suffering with a bullet wound in the abdomen and Dales, a bullet hole in the leg. Kelsey, a guard on the Waller estate, noticed what he thought to be an abandoned car in the driveway. Creeping up to the roadside he crawled through the ditch, and ordered the men to put up their hands as he was an officer. Kelsey said he fired the first shot from his .32 calibre automatic revolver into the air in hopes that the men would surrender, but when they both reached into their pockets he shot them.

TRANSPARENT HOOD

A clever way of advertising the Ford V-8 has been adopted by the Buss-Page Motor Sales, local Ford dealers. A stock car was used and the hood changed to make it transparent, so that the motor would be visible to those who looked at the car. Lights were also installed under the hood, showing the motor at night. The many good points of the car were then lettered all over the body in white paint. The car attracts immediate attention wherever it is driven or parked.

LADIES—See the new World's Fair Sport Hats in felt and velvet, 59c and $1.39. Mrs. Margaret M. Freund, Adams Store, Johnsburg 14-fp
