HEBRON DEFEATS McHENRY 32 TO 27 IN DISTRICT FINAL

Hebron, known as a strong tournament school, once more lived up to their reputation by whipping McHenry 32 to 27 at the Palatine district meet last Saturday night.

McHenry had earned their way into the finals by beating Huntley and Palatine. Hebron, took a one-point thriller from Lake Zurich to place in the play off.

An 8 to 8 score prevailed at the end of the first quarter. At the half McHenry led 17 to 15. McHenry piled up five more points soon after the second half started and their followers felt that they were hitting the stride of recent games. Hebron seemed to think differently and held a 24 to 23 edge at the end of three quarters of play.

The last half found McHenry trying desperately to accomplish something, but they were far off in their passing and shooting. It was evident that Hebron sensed victory and they turned on the steam.

This victory sends Hebron into the Regional tournament at Crystal Lake this week.

C. O. F. ATHLETICS

The Forester bowlers wound up a six week schedule last Friday night with team No. 2 taking the honors.

Team No. 1 fell by the wayside when not one member hit the 500 mark. Team No. 3 finished second in a close race that found them trailing by only 3 pins before the last match.

First prize, a case of McHenry Lager, donated by Anton Blake and Paul Karls, went to team No. 2. A box of cigars, donated by Vernon Knox, was awarded to Clarence "Speed" Stilling for his high single game of 273 pins. Ed. Smith won the smoking stand donated by Justen Bros. for his high series of 642. The box of candy, donated by the Thies Candy Company as won by Leo Heimer, for having the highest increase in average.

President George P. Freund will announce prizes for the next six weeks on Friday night of this week.

The Juvenile C. O. F. were right at their basketball in the high school gym last Sunday afternoon.

George Freund's team took another game from Elmer Smith's squad, leaving a two and two tie that will be played off next Sunday.

In the bigger classes, the Sutton Curley Tops took a one-sided affair from Vernie's Ponies 34 to 13. The Stilling Speeders took Moe's Pickles into camp 36 to 23.

With only two more Sundays to play, the captains are anxious that all players be on hand to put on a strong finish.

CARD OF THANKS

I wish to thank all my many friends for their kindness and remembrances during my recent illness at St. Therese's hospital.

Mrs. Kathrine McCabe has returned home, after spending the winter in Chicago.

Rubber Stamps at Plaindealer.

"SO I HEAR" by EARL WALSH

Once upon a time, long, long ago, we picked Maxie Baer to slap a fellow named Joe Louis all over the ring.

— S * I * H —

Right then and there was the time for us to quit picking winners in this baffling world of sports.

— S * I * H —

Last week, our comments might have conveyed our true feeling that good old MCHS would sweep through the district tournament at Palatine and go on from there to torment larger schools entered in the Regional.

— S * I * H —

Well, "Annie Doesn't Live Here Anymore."

— S * I * H —

McHenry ran into their old jinx—those "Debbil Men" from Hebron.

— S * I * H —

Memories of past defeats at the hands of the Crane spoilers loom up to add misery to our latest defeat.

— S * I * H —

Their calm, deliberate style beat us by one point in our Little Four meet last year. Another one point victory was snatched from us in the Wauconda tournament last year.

— S * I * H —

Now, Coach Crane comes along with a brand new team to trim us 32 to 27 and keep us out of the Crystal Lake meet.

— S * I * H —

Looks like we'll have to pass some sort of a law 'agin' those fellows.

— S * I * H —

If Frank Kempher will co-operate, we plan to start some sort of a suit against that fellow, Dreymiller. Did you see those signs he put up in his window bright and early Monday morning?

— S * I * H —

Well, he advertised those famous Crow Chasers, using Kempher's and our name as agents.

— S * I * H —

Maybe we will have to take over his patent after all. John shifts fast into new ideas. The latest one finds him trying to sell imported Alaskan garden seeds to Joe Hettermann. These seeds are guaranteed to grow right up through ice and snow. For early vegetables, see Dreymiller.

— S * I * H —

We spent a very enjoyable evening with our Boy Scouts at the grade school. Mr. "Mike" Schoenholtz, who has been doing noble service in this commendable work, was in charge. Leo Stilling, new chairman of the Scouters, was present to encourage the boys along with both work and play. Glenn Peterson, who holds a new commissioner title in the organization, hit the keys for the boys as they demonstrated well-developed vocal cords.

— S * I * H —

The Regional Meet is on this week at Crystal Lake. Woodstock will be defending champions, but they have a mighty hard row to hoe.

— S * I * H —

Dundee promises to give the strongest opposition, but we are not making a prediction.

— S * I * H —

Elgin will naturally draw much attention and may be primed for tournament competition.

— S * I * H —

And look out for those Hebron cagers. They like tournaments.

— S * I * H —

This department wishes to offer congratulations to Officers Guinto and Bacon who have just been promoted to the rank of Sergeant of State Police. Both men have shown good judgment and fairness in handling their duties.

— S * I * H —

Herb Simon has rolled many a classy series in his days of bowling, but we don't think he ever approached that 710 series of last Sunday. We wonder if anybody ever bowled that kind of a score on the local alleys?

— S * I * H —

Guess we cant' get that game of basketball off our minds. We were truly disappointed to see our boys lose the Palatine tournament.

— S * I * H —

However, our team has given local followers reason to feel proud of them throughout the season.

— S * I * H —

The McHenry crowd went wild with joy when our boys beat Woodstock's strong quintet.

— S * I * H —

Trimming the strong Harlem Five was another big feather in their caps.

— S * I * H —

As the season came to a close, our squad developed into one of the strongest scoring fives in the county. We were rolling along—then we met Hebron.

— S * I * H —

In the Little Five conference Hebron, Richmond and Marengo finished in a tie for first place honors. Each team won five and lost three. McHenry followed with a four and four standing.

— S * I * H —

Woodstock outclassed the field in winning the North Five race. The Dalemen won eight games and had no losses charged against them.

— S * I * H —

All in all, our season proved a much greater success than many anticipated. We won from the strongest and lost to the weakest.

— S * I * H —

Coaches Reed and McCracken have accomplished much in developing material for next year. With the exception of "Bud" Miller, all of our first stringers will be back. Several other good men have gained experience throughout the year that may bring them right up to the front when selections are made next season.

FAITHFUL

Before leaving for a fortnight at the seaside she gave instructions to her husband as to the care of her pet Pekingese.

"Mary," she said, indicating the maid, "will look after her during the day, but I want you to be sure and take her out for an hour or so every evening."

He gave his promise.

When she returned home her first thought was for her pet.

Cuddling it to her, she asked Mary if her husband had kept his promise.

"To be sure he did," replied the maid, "and I enjoyed it, too. We used to go to a different place every night."—Montreal Star.

UNDER SOME POTION

Bess—If I told you that my new dress is a Paris creation, what would you say?

Ida—It's a dream!

Tongues Will Wag

"That boy of Jim's is a nice looking young chap. What's his name?"

"Winfield."

"A family name?"

"Yes. It was his mother's maiden name. But when the boy was born some 18 years ago, people said he should have been named Windshield."

"Why?"

"O, he kept his father out of the draft."—Kansas City Star.

Might Just as Well

Yokel—What be you fishin' for?

Pessimist—Salmon.

Yokel—But there ain't no salmon hereabouts.

Pessimist—There are no darned fish here at all, so I may as well fish for salmon as any other blinking thing!—Stray Stories Magazine.

Modern Education

Teacher — Tommy, can you spell "fur?"

Tommy — Yes—"f-u-r," fur.

Teacher — Correct. Now tell me what fur is.

Tommy — Fur is an awful long ways off.

Good Idea

Woman (learning to drive)—But I don't know what to do!

Her husband — Just imagine that I'm driving.

That'll Hold It

Steward — How would you like your breakfast, sir?

Passenger — With an anchor on it, if you don't mind.

THE WORKS

"My dealer has me on his slate for five tons of coal, but I haven't gotten it yet."

"Oh, you'll get it—slate and all!"

Had It Coming

"I understand they used my boy Josh purty rough when they hazed him at college," said Farmer Corntossel.

"Oh, well, they didn't hurt him any. I wouldn't be resentful."

"I should say they didn't hurt him. They took a whole lot o' conceit out of him. All I resent is that I wasn't there to see it."

Spicy

Teacher—Can any one tell me what happened after Napoleon mustered his army?

Pupil—Yes sir, he peppered the enemy and took the citadel by assalt.

Teacher—Sit down, my lad. I'll have no sauce from you.—Vancouver Province.

Big Word

"Do you know what the word 'boondoggle' means?"

"No," answered Farmer Corntossel. "I guess maybe that's another of those things you have to go to college to learn all about."

Butt

"Every time I see that fellow he is smoking a stub of cigar."

"Oh yes, it's a little habit he's picked up here and there."—American News Trade Journal.

Too Much for Him

Foreman — Why are you leaving?

Riveter — O, I don't mind hammering rivets all day long, but the next man to me hums incessantly.

Good News

Daughter — Did you hear, dad, they have just caught the biggest hotel thief in Chicago?

Dad — What hotel did he run?

Weavers of Bokhara Rugs

Bokhara rugs are woven by tribes living in Bokhara, a district in Central Asia, north of Afghanistan. They are made of fine durable wool with a liberal mixture of goats' hair.

ST. MARY'S-McHENRY GAME SCHEDULED FOR NEXT TUESDAY NIGHT

St. Mary's of Woodstock has accepted an invitation from Coach Reed to play a game of basketball on our floor next Tuesday evening.

There has been perhaps more controversy than necessary over the failure of these two teams to meet this year. However, since a large group of fans expressed themselves as wanting the game, the coaches got together and set a date.

McHenry was chosen as the site because of last year's game not being played here as scheduled.

Your writer accompanied Coach Reed to Woodstock Wednesday evening when the invitation was extended and found the friendliest feeling existing.

Both coaches have developed their teams to play hard games in the most gentlemanly manner possible. With this in mind, local fans can expect a grand game of basketball.

The lightweight game will start at 7:30 and will be followed by the big game you have been looking for. Now, let's turn out, and pack the gym with rooters.

BASEBALL IMMORTAL

Nap Lajoie, former major league star, recently voted a position in baseball's permanent hall of fame in a poll of baseball writers. He was in the major leagues for twenty years, but never played on a pennant winning team. For fifteen of those years he batted over .300, and led the American League hitters for four years.

Store of History

Data collected by archeologists and historians at Mesa Verde National park, Colorado, seem to prove that the traces of at least ten centuries of history of the Indians of the southwest are preserved in the caves and mounds of the park.

King Wed Cousin

Almost 1,000 years ago the English king, Edwy the Fair, wed, without benefit of clergy, a cousin, Ethelgiva. The clergy seized, branded and banished the eighteen-year-old girl to Ireland and forced the king to abdicate. He died of grief.

PICTURE AND FAMILIAR NAME IN TRIBUNE

Readers of the Chicago Sunday Tribune found a familiar name under the picture of a very lovely lady in the metropolitan section Sunday.

The name was that of Mrs. Sibre M. Badlwin of 6040 Nickerson avenue, Chicago, wife of Sibre M. Baldwin, whose father was once a resident and popular school teacher of McHenry and vicinity.

Mrs. Baldwin, a member of the Seventh district Federation of Women's clubs, directed the district chorus in its performance at the Sunday evening club in Orchestra Hall last Sunday.

She is an occasional visitor in this vicinity and attended the wedding of her nephew, Sibre Whiting, not long ago.

GREETINGS

The following postcard message was received by The Plaindealer this week from Alice Sutton, who attended the Eucharistic Congress at Manila:

"Kyoto, Japan,
"Feb. 15, 1937.

"Greetings to all the Old Timers from Kyoto. It is snowing here today, which reminds me of old times and Old Timers. I am having a great trip. May write more of it later.

"Sincerely,
"ALICE SUTTON."

Barn Swallows Fly North

Barn swallows that spend their winters in Brazil fly as far north as Greenland and Alaska for the summer.
