Greetings Folks:

Rainbows this week—

Mrs. Earl Whiting suffers burns.

Mr. and Mrs. W. Vycitalsmer honeymoon at McCullom Lake.

Orchard Drive Elites have big weekend.

Ronnie Brand to be married Saturday.

Mrs. Earl Whiting was painfully scalded by steam last Thursday while canning tomatoes in a pressure cooker. A faulty safety valve on the lid of the cooker was responsible for the accident. Mrs. Whiting turned off the gas and waited at least twenty minutes for the pressure within to drop before removing the lid and, although the gauge dropped to zero, there was sufficient steam within under pressure high enough to blow the lid off when she loosened the clamps. Mrs. Whiting was scalded on chest and lower part of her face and is at present at home under a doctor's care. Our best wishes for a speedy recovery.

There was an aura of romance about the Weinsheimer abode this past week. Bill Weinsheimer and his lovely bride, Helen, like so many other newlyweds before them, decided on McCullom Lake for their honeymoon and, after a week of cooing left for a ten-day gypsy trip through Wisconsin. Our hearty congratulations to these two nice kids.

It was a heavy weekend for the upper Crusty Orchard Drive Elites. On Saturday evening the O'Flaherty's entertained this select group at their palatial manor. Mr. and Mrs. Joseph Frisa, Mrs. Sophie Kosti and Mr. and Mrs. Helge Davidsen were among the prominent big-wigs who enjoyed an evening of penny ante, not to omit the delicious refreshments served by the gracious Mrs. O'Flaherty. On Sunday evening Mr. and Mrs. Joseph Frisa, the new owners of the Altman estate in Germantown,

Next Saturday Ronnie Brand, son of Mr. and Mrs. Adam Brand of Hickory Drive will be married in Chicago to lovely June Venn of the same city. After the ceremony the young couple will journey to the Brand home here to spend a week's honeymoon. Ronnie has recently returned after three years of service with the Navy in the Pacific. Our congratulations and best wishes for a long and happy married life.

Received a card from the Elmo McKims and their son, Allan, from Minocqua, Wis., where they enjoyed a week of heavy fishing. Thanks for the thought, folks!

Last Thursday our good friend and neighbor, Mrs. Elsie Goeke, wife of William Goeke, who died on Monday morning at the Victory Memorial hospital in Waukegan, was buried in St. Mary's cemetery.

Requiem high mass was sung at St. Mary's church by the Rt. Rev. Msgr. Nix, after which the funeral procession headed for McCullom Lake, where it circled the Goeke home and then slowly proceeded to St. Mary's Cemetery, where, after a beautiful eulogy by Rev. Gene Baumhofer, the body was laid to rest.

Pallbearers were Hugh McDonald, Alvin Blake, Ray Musynski, Kenneth, Charles and Everett Ingersol.

Mrs. Goeke is survived by her husband, William, Mr. and Mrs. Adam Jablonski, parents, and Mrs. Bennett of McCullom Lake, an aunt.

Mr. and Mrs. William Ames of Maple Hill left last Saturday on a two weeks tour of the Western states.

Mr. and Mrs. Phil Brautigam and their little boy, Edward, will leave next Sunday to enjoy a month's vacation in California.

Mr. and Mrs. Ernest Martz, the new tenants in the Trigin apartments, had a very unfortunate experience. On arriving here from DesPlaines with a load of household goods, they unloaded their possessions in the rear of the premises and returned to DesPlaines for another load. On returning they discovered that some thief had gotten away with three valuable bedspreads. It is hard to imagine that anything like this could happen in McCullom Lake.

Mr. and Mrs. Dave Reid enjoyed the company of their son, George, over the weekend. George is at present attending the Teachers College at DeKalb.

Mr. and Mrs. Frank Surz are enjoying a two-weeks vacation at their cottage. If his fisherman's luck holds out Frank expects to return to Chicago next week with a few big ones from our lake. Here is hoping, Frank!

That new electric water pump installation job at our Otter Ebert's house last Sunday, required the combined services of George Harker, Lee Sawdo, Fred Thomson, Pop Ronjstad. Harold Grotthus and about a gallon of mountain dew before the project was completed and, believe it or not, the thing works.

That grand young gent from Berwyn, Anton Cermak, was a weekend guest at Jerry and Betty Cermak's home.

Win Pietsch left for Fredericks-town, Mo., by train last Saturday, where he will meet his Mrs. Pearl, who is returning east by car after a two months' tour of the western states with her sister, Mrs. Reba Wolf. The Pietsch's will motor back together and expect to reach home on Saturday morning.

There is every indication that the Screwy Dozen's next birthday party, which will be held at Roy-Al Community Center on Saturday evening, will be one of the outstanding events of the summer season.

For the past week Jerry Cermak, the club's president, and "Old Sphinx" Otto Pyritz, entertainment chairman, have had their heads together many times so, from past experience, we deduce that many things will be a popin Saturday night. Roy and Al Blake, those two genial barristers, who preside at the bar of our leading emporium, are also making preparations for a big nite. Al has a red necktie on order at McGee's, we hear, while brother Roy decided on a canary yellow. The reason for all this hub-bub is the fact that McCullom Lake's most eligible bachelor, will be among the celebrants on this occasion. Who? Why, our Otter Ebert, Len Jensen, Sr., and Fred Edmonds are the other two guests on this months birthday honor roll.

Hush—Hush!

We hear "Toots" Schmitt is sporting a new ring these days and Ridgefield"s fair-haired boy is responsible for the skip in her heartbeat.

Double Bubble gum is included in Eddie Brautigam's daily diet. The things that guy does with it after dark. You viper, you, and we don't mean windshield.

Thought Starters

If you get into an explanation too suddenly, you snap the coupling instead of starting the train.

If a man could have half of his wishes he would double his trouble.

The other fellow's sins, like the other fellow's headlights, always appear more glaring than our own.

Our thought for the week: It's surprising how often a narrow mind and a wide mouth go together.
