## Vice-Principal's Message

Congratulations to the 2002-2003 Yearbook Committee! The following pages are proof of the commitment and effort you have invested in recording the memories of a fabulous year in the life and times of Niagara District. Thank you so much!

The joint efforts of staff, parents and community never ceases to amaze me. The NDSS community is a powerful TROJAN FORCE that continues to foster academic excellence, athletic prowess, artistic creativity and talent and public spirit. Your achievements are testimony to the successful attainment of our school goals: to prepare..., to assist..., to help acquire..., to encourage...; Winter Gala, Renaissance Festival, Into the Light, Athletic Council, All Ontario Lacrosse Championship, Gold, Silver and Bronze Technological Awards, Scholarships, Apprenticeships, Peer Mediation, Community Ambassadors to name only a few accomplishments. It has been a great year!

To the graduating class of 2003... "The future doesn't just happen, it is created...your destiny is not in the stars, but in yourself. You may need to follow in the wake of those who have gone before, but what you do and where you go is ultimately up to you. Learning is an on-going state of exploration that is never finished...a journey that never ends". Enjoy the journey you create and best wishes for success in all your future endeavours. Congratulations!

**Editor's Note:** Putting together this book proved to be quite the task. Those that joined the committee in the beginning of the year likely did not realize the amount of effort that would be needed to complete this book. We had heard that in previous years, those involved with the yearbook did not get the book completed by the end of the school year, and therefore had to work throughout the entire summer on the book. Well, we were confident that this year, the entire book would be done by May. After all, what could be so difficult about taking pictures, organizing page layouts and getting advertisements??? Well, as it turns out, even though we felt we were accomplishing enough throughout the school year, June rolled around and we had not met the final deadline! This meant there were a few of us that needed to work into and throughout...the entire summer to fully complete this book. That being said, we thoroughly hope that you, the student/teacher/parent/friend enjoy the Niagara District Yearbook of 2002-2003!

- Peter Nyitrai

PS- Thank you to those who helped out at our fundraiser carwash!  
PPS- Special THANKS to Mrs. Sward, our financial advisor.

# Student Council

**Gooooood Morning Niagara District!**

Someone asked me the other day what I thought of this year at District and do you know what I told them? Do ya? Well, I said it was the best damn year ever!!! That's right; I said it (with no bias at all)! I've had more fun planning and organizing events for you than I had ever expected. Who knew that hours and hours of thankless volunteer work could be so fulfilling?

To recap some events of the year (as if anyone could forget), we held a **Terry Fox Run** and raised \$3400; **Gr. 9 Orientation** with some of the craziest minor-niners I've ever seen (keep up the good work guys); the **Halloween Dance** with an incredible turnout; the **Halloween Assembly** with pyrotechnics and gross eating contests; we put a float in the **NOTL Christmas Parade** and got second place (not too shabby); held some more assemblies with gross eating contests; **Semi-formal**, although not a school sanctioned event, ran smoothly with virtually no one getting kicked out or embarrassing themselves too badly \*cough Joanne\*; ran **Matchmaker**; **Wacky Wednesdays** (a.k.a. gross eating contests, are you sensing a theme yet?); an **80's Dance** (and if we all never see spandex again it'll be too soon); the **First Annual Talent Show** which featured death-defying acts; a soaking-wet, freezing cold **Grad Nite** at Wonderland and finishing off the year with the most incredible Prom I've ever seen (way to go Petey).

I was lucky enough to be elected by the majority of you fine Trojans and I hope I lived up to your expectations. If not, don't worry, it's over now and there's an amazing new council coming this year. I do believe though, that last year's council was incredible. Thank you to my entire council for putting up with my disorganization and chaos at times throughout the year. I couldn't have asked for a better group. A huge, special thanks goes to my "Angels" (a.k.a. the vice-prez's) Sarah, Jenn and Theresa. You did an unbelievable job making sure everything ran smoothly and kept me calm and as stress-free as possible. Thanks to my secretary/treasurer/fill-in-vice-prez Lindsey. You helped me out so much and came to all the "boring" meetings with me ("How does watermelon stay together, I mean, it's only water, it's so amazing!"). Also, big thanks to Jr. Vice-Prez Jordan for keeping it real and to the Director of Public Relations Alex Harber for keeping the public related. A huge debt of gratitude goes to the rest of the council, all the grade reps, for being there to help out when needed (especially if you got out of class) and for being there in spirit when you couldn't. I know you were thinking of us. Finally, an enormous THANK YOU goes to Mr. Watson, Ms. Eade, Mr. Courchaine, Mr. Matic, Ms. MacSween and Mark. Without you six I couldn't have gotten anything done this year. I am so grateful for all the patience and help you gave me as I ran around like a chicken with it's head cut off. (Also thank you to Ms. Black for letting us use her art supplies all year to make those lovely Trophy Case Banners we all grew to love).

With all the thanks aside, the council and I put a lot of work, sweat and tears into trying to make every event as fun and enjoyable as possible for everyone and I hope everyone had as good a year as we did. Best of luck in the future both for those newly graduated and those carrying on the great name of Niagara District Trojans. Keep up the Spirit and remember to be who you are, not who they want you to be.

Lots of Love,  
Shaelyn Lepp, Student Council President

# SOME OF DISTRICTS FINEST

And people say there's no diversity at District. Look at these people! The vast differences are almost scary.

# Grade Nine Orientation

This year's Grade Nine orientation was the best yet! Not one of these crazy kids hesitated to participate in any of the goofy events we had planned for them. They partook in water-balloon tosses, a truck push, a very wet tug-o-war, and a leftover-condiments-from-the-BBQ slip and slide just to name a few. All events of course, reinforced the values of our beloved school such as teamwork, cooperation and love toward our fellow student. The afternoon ended with a "Take Revenge on Your Leader" water balloon soak. All involved had a very memorable afternoon, showing their true spirit and zeal for life! Keep up the enthusiasm guys!

- Shaelyn, El Presidente

Thankfully, the smiles remained on the faces of the Grade Nines throughout the entire school year. Congratulations, you all survived your first year at NDSS! Now can't you just wait until you guys get to be in charge?!

# Trip to Mexico

This year's trip to Mexico provided a chance of a lifetime for students who were given the opportunity to visit the breathtaking Myan Ruins as an educational slant and miles of sandy beaches and crystal clear blue water for relaxation. The trip even included a tribute to Canada when the gang from NDSS yelled Happy New Year an hour early while being surrounded by foreigners!!

# A Brief Review

**THIS PAGE:** Hayley Wickenheiser was the first female to join the Finnish Hockey Federation's third division; Quebec based Raelian cult claimed to have produced the world's first cloned baby, however, declined DNA testing to prove it; Canada signed on to the Kyoto Accord; tattooing and body piercing is all the rage; parental aggression from the stands of minor sports reached dangerous highs; space shuttle Columbia broke apart after re-entry into the atmosphere.

**NEXT PAGE:** Soapy dramas such as 'Gilmore Girls' still popular even with new reality series popping up every week; Mike Weir became first Canadian to win the Master's Golf Tournament; Canada's own Avril Lavigne hit major worldwide success; TV sitcom 'Everybody Loves Raymond' somewhat filled the void in the TV schedule left by 'Seinfeld'; much anticipated fifth Harry Potter novel released, self explanatory; controversial U.S. led war in Iraq.

## KRISPY KREME DOUGHNUTS !!!

## FUNDRAISING

## FUNDRAISING

This past year, a group of enthusiastic students and myself, guided by a few committed teachers, helped to re-establish Niagara District's Athletic Council. The Athletic Council organized the year's intramurals, promoted the school's sports teams, and helped with various fundraisers. With the amazing contributions from the students, parents and friends of Niagara District, we were able to sell over 300 dozen Krispy Kreme donuts and raise enough money to hold the first of hopefully

many Athletic Banquets. Over 100 students, coaches and honoured guests attended the event, at which the top athletes and teams of the year were honored.

As the outgoing president of the Athletic Council, I can only hope that someone will step up to the challenge of continuing to lead the Athletic Council. On behalf of the 2002-2003 Council, I would like to wish them the success that we had this past year.
