Niagara District

Yearbook Executive Members- (from left) Amy Watson and Lauren Crickmore (Arts Editors), Catie Glatt (Sports Editor), Marcella Jones (Editor-in-Chief), Danielle Collins (Clubs Editor)

This past year I took on the challenge of editing the Niagara District yearbook. Along with my co-editors, it was decided that our final yearbook had to be the best it could possibly be. A yearbook is only as good as the photographs within it, and so it was our quest to cover every single event that took place during the past school year. From clubs to sports to academics to arts to the candid shots, the 2004-2005 yearbook has it all.

There are many people who were crucial in the production of this year's keepsake. First, I'd like to thank Mrs. Mackinnon who was responsible for setting up the yearbook office with a computer, scanner, printer and CD burner. Mr. Krzeczowski, the staff adviser, gave helpful pointers and encouraged the process of this timeless book. The office secretaries, Mrs. MacSween and Mrs. Jakob put up with my constant questions, requests and deliveries. Heather Cairnie, our Jostens advisor, supported the book throughout the year. Lastly, Mr. Honsberger installed the yearbook software on the computer.

The Niagara District yearbook relies on the generous support of the school and the local community. This year, I am proud to report that we reached a record number of advertising sponsors (27), the highest in many years. For this, I extend sincere gratitude and thanks to the local advertisers, without their help the yearbook would not be possible.

Finally, I would like to thank the support and dedication of the yearbook staff. Both advertisers and photographers kept busy during the school year. Huge thanks to Corey Myke who created the yearbook cover not once, not twice, but three times before it became the cover you see today. And last (but of course not last!), I owe a big thank you to my co-editors and friends, Amy, Dani, Catie and Lauren who stuck by the production of the yearbook for the entire year.

Best wishes to returning students and good luck to the graduating class of 2005. Enjoy!

STUDENT

COUNCIL 2004 - 2005

Dear Friends,

When I'm not busy flexing my guns, I attend to presidential duties around the school. It seems as though my path of destruction and reign of terror are now just wonderful memories in the back of our heads. We had an amazing year together and I wish it would never end. Sadly, this is the time. I hope that you have enjoyed it as much as I have. Niagara District and everyone inside these walls has been so wonderful to me and the rest of the student council. We have a unique environment here with amazing people to back it up.

This is the "President's Message" but I am speaking on behalf of every member on student council. Each one of them played a huge roll in the success of this year. I couldn't have done it without these guys. I'm going to mention them again so that you know who they are. They deserve this too, if not more than myself. They are Dan Ens, Greg McArthur (Vice-Prez), Marcella Jones (Secretary), Rachel Slingerland (Treasurer), T. J. Friesen, Jenna Warriner (Junior Vice), Violet Chepil, Alex Goertzen, Kirk Thomas, Amy Watson (Grade 12 Reps), Kaylen Bartoshewski, Cassie Price (Grade 11 Reps), Emma Sturm, Liz Thomas (Grade 10

Reps), and last but definitely not least Natalie Jones, and Caley Vanular (Grade 9 Reps). We had someone else attending all our meetings and helping out so much among the council that he deserves to be recognized as an honorary member of student council. Craig Baila, I thank you. It's important that you understand how much each one of these people contributed to make this school year so great. I thank them with all my heart because without them I couldn't have done it. I would also like to send my deepest thanks to every single staff member at NDSS. You have been so supportive of everything we've done and helped out in so many ways. You are just as much apart of our team as everyone else.

We all worked extremely hard to make this year better than the last. Mr. Cockburn and Mrs. Mackinnon- it was an adventure working with both of you to create something so special.

My best wishes go out to next year's student council as I hope they continue to do a great job. They are a great group of kids at NDSS and I am proud to consider myself apart of that group. Good luck to everyone moving on in the future. I know you'll make us very proud.

Now I leave you with a quote that means the world to me. Just as each and everyone of you.

"If these occurrences were a movie motion picture, it would be the kind you were forced to view twice."
- Sleeper Set Sail

With love, Jamie King 04-05

Grade Nine Orientation is always an afternoon of wacky fun for grade nines at NDSS. Although hesitant at the beginning, all of the nines had a great time. This year Student Council Prez Jamie King organized the outstanding event.

■■■■ The Terry Fox Run took place in early October at McFarland Park this year. The event was run by Student Council Vice-President Greg McArthur. Over one hundred students came out on the sunny day to participate in the walk/run/skate. After the trek down the bike path, students were treated to a barbeque lunch and the musical entertainment of Taylor Hulley and Travis Kaszycki. The event raised an outstanding \$2949 for cancer research. Congratulations to all Trojans who participated.

HALLOWEEN

Halloween at Niagara District consisted of many fun events to celebrate everyone's favourite spooky holiday. Student Council organized a Halloween assembly, led by Junior Vice-President Jenna Warriner. The agenda included musical entertainment by Mrs. Hutchison and her music class, a pumpkin carving contest, an eating contest and performances from Ms. Wylde's dance classes. A Halloween Dance was also planned by Student Council Vice-President Dan Ens. Entertainment was provided by Pandor Productions. The music was great, the costumes were awesome and everyone who attended had a great time. Congratulations on such a fun and successful holiday!

Mr. Harshaw and his senior tech class joined forces with DSBN and Habitat for Humanity to help build a house for a family in need. Niagara District students first layed-out and then lifted roof trusses onto the walls. Trusses were then nailed and braced in place. Lastly, plywood sheets were cut and then nailed down on top of trusses. Beside completing the roof NDSS students worked on a wide variety of framing tasks in the house. Students really enjoyed their two full days of house construction.

DSBN Tech Skills Challenge
Kevin Cochran and David Enns placed 2nd in the two-man carpentry challenge, building a children's playhouse. Brett Warner and David Enns both tied for 3rd place in the solo category, building a outdoor garbage container.
