Obituary.
In the Township of Scott, on Friday morning, Sept. 21st, Mrs. Amanda Pegg departed this life, being upwards of eighty years of age. She was the daughter of Benjamin and Elizabeth Terry, who came from Pennsylvania to Canada, amongst the early settlers of this part of the country. Amanda was born near Sharon in 1829, the youngest child of a family of eight, all of whom are now at rest. She was united in marriage in 1846, to Isaac, son of Samuel and Nancy Pegg. This proved to be a happy union and their united thrift and economy resulted in the accumulation of considerable property. The deceased at an early age was converted, joined the Baptist Church and ever lived a consistent Christian life. To her husband she was a faithful loving companion. She was devotedly attached to and interested in the welfare and happiness of her family, and the numerous friends who attended the obsequies showed how she was esteemed by those who knew her. Funeral services were held in Hartman Methodist Church, where a large concourse of people listened to an interesting address delivered by Rev. Greg, pastor of the words "I go to my Father." Elder D. Prosser assisted in the service. Interment in Hartman Cemetery. Five daughters and three sons survive and mourn the loss of their mother.

Despondent.
A man named George Stephens, about 60 years of age, who went from Newmarket to Toronto, to seek employment, became despondent and ended his life on Sunday by taking a dose of laudanum.

Two Men Nearly Killed.
An accident occurred on the farm of Mr. Robert Graves, Town line, East, on Tuesday afternoon which nearly cost the lives of two men. They were Mr. Walter Graves, son of the proprietor of the farm and Mr. F. W. Widdifield, son-in-law of the proprietor. They were plastering the top of a new silo when the scaffold they were standing on gave way and they fell about 30 feet upon the cement floor. Both men were picked up unconscious and remained so for some time. When the doctor arrived it was found that Walter had sustained the greatest injury, having fallen upon his head, which was cut in several places, his collar-bone broken, knee-cap fractured and internally injured. Frank lit on his feet but was badly shook up.
On account of the injury to the knee-cap an operation was necessary to prevent a stiff joint and he was taken to the Hospital in Toronto on Wednesday afternoon.

Caught This Time.
Newmarket is to be congratulated on having a Mayor who goes around with his eyes open. On Wednesday evening of last week he had occasion to go to the 10 o'clock car to see a friend off. He noticed a gang of Newmarket fellows get on the car and surmising that they were off to Aurora, to get "loaded up," he took the trouble to inform a couple of policemen, being determined that ruffianism on the streets shall be put down. When the 11.30 car came from the south, sure enough the gang were having a lively time in the smoker. Alighting from the car they started to make night hideous with blasphemy. The Mayor ordered the constables to take care of a man named Arthur Thompson, who was particularly boisterous and whose hand was badly cut and bleeding profusely from having smashed a window in the car. The gang at once attempted to prevent the arrest, but after a struggle, Sherman West, who appeared to be the ringleader, was placed in the cooler. When brought before the Colonel on Friday, he woke up to the fact that the authorities meant business. Thompson was fined \$5 and costs, and West \$10 and costs, amounting to \$13. A few doses like this will show the gang that such conduct will not be tolerated.

Presentation.
We clip the following from the Sudbury Journal, Mr. Geo. Montgomery being a son of Mrs. John Montgomery of Newmarket:
A pleasant affair took place at the Masonic rooms on Tuesday evening last, when a large number of the members of Nickel Lodge were present and also some visitors. The gathering was held for the purpose of presenting Wor. Bro. G. A. Montgomery, who was leaving town, with a small token of the Lodge's appreciation of his services as Secretary, Junior Warden, Senior Warden and Master. After refreshment had been served, Wor. Bro. Martindale read an address, expressing regret at his departure, but also congratulating him on his promotion in the service of the company with which he has been so long connected, and he was also presented with a beautiful Gold Past Master's Jewel. Wor. Bro. Montgomery made a suitable reply, and short speeches were also made by R. Wor. Bro. Arthur, Rev. J. Logie, Bro. G. E. Buchanan. Music was furnished during the evening by Mr. Hughes' Orchestra, and Bro. Hin-ton, organist of St. Andrew's Church rendered a very fine piano solo. Mr. Montgomery left on Friday to assume his duties as Superintendent of the Algoma Central Railway at Michipi-
