BALDWIN BREEZES.

A sleighload of our young sports, under the monitorship of Arthur Smith, Esquire, took in the Carnival at Queensville last week. I amigine I should say the Carnival took them in, as owing to mild weather it was laid over until Jack Frost came to their aid. Sleighing having gone up, our boys trolleyed it home, which cost them more than a penny.

Have you sent the Era your's yet ?

Tommy Coomer has the great delight of having half a dozen new young milk cows (springers) to employ his time milking. They were already put through their preliminary training by The Owl, in whose meadow they pastured, so they are like lambs. They are an extra fine lot and give a prodigious flow of milk. That's $8s for him.

At Sanderson's shoot here on Friday, Richard Curl, (Curley Dick,) won the game, or at least a good percentage of it. Where oh where was the Zephyr pedagogue ? In the soup, I am told.

Some changes on our branch of the R. R. A new crew on the train and also a change of time, there being only one train each way. This means a serious cut in the mail carrier's stipend. — War times are hard times.

An awful, no I mean a prodigous, run of trade at our mill these days, consequent upon the lack of sufficient water to run both the mill and electric light plant in Sutton. Our miller would smile if he were not feeling out of sorts (unwell.)

A bread famine in Baldwin on Saturday p. m.

Miss Zelda Pringle spent a few days with Miss Hilda Morton at Jackson's Point last week.

The Era's "Death Roll" of late included several intimte friends of your humble servant. Amongst other names, those of Elder W. Percy and Miss Sarah Belfry—I could say many laudatory things concerning them, but time and space debars. I think their names are recorded in the Lamb's Book of Life. We'll all have to answer the roll call some day—none are exempt.

I should like to congratulate Roy Cowieson on the excellency of choice he displays in selecting a bride. Miss Gordon is, to my mind, a treasure of inestimable worth—a sweet little woman.

The late Mrs. Robt. Terry of Sharon is another dear friend, whose departure I mourn. She was one endowed with rare virtues and that sweet loveliness of character that to know her was to sincerely respect and admire her. A "Blessed Mary" indeed. Our sympathy is extended to the bereaved friends.

Mr. Ross Tomlinson is preparing to build him a better residence.

The little old bachelor has got it where Cupid's arrows catch one. And a little beauty she is. Looks as though "wedding bells" may ring.

The Y. P. M. C. meeting at Mr. Frank Terry's was a grand success in every way. A fine load of Queensville young people present. The chicken-pie supper was that could be desider and the games afterward were up-to-date, highly entertaining and sociable. Everyone enjoyed themselves immensely and no one will wish to miss the next "Circle" meeting.

Be sure that all children under sixteen are present at the Junior Carnival on Saturday afternoon. Three good prizes given for boys, girls and comic costumes. This will be a good time for kiddies to start or continue to learn. This is given by "Alerts" for a good cause.

The Ladies' Aid at Mr. R. Tillett's last Friday evening was a "bouncer," and all spent a fine time.

A grand Dress Carnival will be held on the Rink here next Friday night, Jan. 22. See the bills for prizes. They are well worth the bother of preparing a costume. The main prize is the Silver Cup, given by Mr. C. E. Willoughby, for best Lady's Costume. Larry.

SUTTON

Hockey.

Sutton hockey team had a nice work on Monday night when they went up against the Cannington team. Both teams lacked condition but Sutton team seemed in better shape and defeated the Cannington boys by a score of 12 to 7. This is supposed to be the Sutton line-up that will play in the Trolley League this year and they will do. They were composed of our old friend Harry Thayer in goal, Frank Kaiser, a new-comer, at point, a 2nd big Swede Lou at cover point, who is teller in the Bank here and who plays a dandy clean fast game ; Billy Thayer as rover, another good boy but a trifle light ; Harold Burnham at centre, Wes. Miller as right wing and Bill Lee left wing—all three from off the old team. These boys should win the Cup this year with any kind of an even break in the luck. This first League game was on Thursday night (last night) with Aurora.

The following is the Schedule of the League games for this season :

Sutton at home—
Jan. 14th with Aurora.

Letter from Regina.

The City of Regina has accepted the Bank of Montreal's offer to negotiate treasury bonds to the extent of $1,750,000, at a very favorable price.

The department of agriculture at Regina has announced that, following negotiations between the railway companies, the Grain Growers' Association and the department, reduced freight rates on seed grain will be in force in the prairie provinces from January 1st to June 15th, 1915. Purchasers of seed grain, whether in carload or less than carload lots, in order to take advantage of the special rates, must secure from the secretary of their nearest local grain growers' association a certificate that they are bonafide farmers and are entitled to the advantage of the rates.

The Saskatchewan Government has received a communication from the war office expressing thanks for the donation of over 1,000 high-class horses to the British Empire as a war gift. The government is informed that no more welcome gift could have been made, as horses are greatly in demand for war purposes.

There was such a rush on the Regina assessor's office on Thursday, Dec. 31st, that the whole staff has been kept busy totalling up the amount taken in. It is believed that some $275,000 was taken in on Thursday, which was the last day of grace for taxpayers who wished to escape the 8 per cent. penalty on arrears.

Definite financial arrangements have been made which will permit the Coste-McAulay syndicate to resume drilling for natural gas for Regina by March 1st. Up to the date drilling operations were stopped in September, two wells had been drilled, to depths of 760 and 250 feet respectively.

A beginning has been made for the formation of a labor party in the province of Saskatchewan, similar to the labor representative party inaugorated at Winnipeg recently.

...A Russian teamster, aged 19 yrs., employed in the new Welland Canal, was killed when he attempted to lift from the path of his horses a live wire which had fallen from the pole.
