MOONEY-SHUTTLEWORTH.

The following is clipped from a Manitoba paper:

An interesting event took place at the home of Mr. E. L. Shuttleworth, of Cordova, (Man., formerly of Mt. Albert, Ont.), on Wednesday, Jan. 5th, when in the presence of their relatives and friends their daughter, Lottie Pearl, was united in marriage with Denis J. Mooney, of Winnipeg. The ceremony was performed by Rev. J. B. Anderson, of Brookdale. The bride, who was given in marriage by her father, was unattended, and wore a gown of sapphire blue silk trimmed with lace and pearls, and carried a bouquet of white roses and lily of the valley. The wedding march was played by Mrs. Geo. Switzer, of Brookdale, sister of the bride. After congratulations, a buffet luncheon was served. The table was centred by the bride's cake and the floral decorations were pink and white carnations.

The esteem in which the young couple were held was evidenced by

The happy pair took the afternoon train for Winnipeg, the bride travelling in a princess gown of brown moire velvet, and black velvet hat with black and white plumes. The many friends of the young couple wish them "bon voyage" through life.

CEMETERY MEETING.

The annual meeting of the Mt. Albert Cemetery Company was held Monday evening, Jan. 17th, with the President, Mr. H. D. Ramsden, in the chair. The board was able to present a splendid report for the year's operations. The Secy, Mr. J. D. Rowland, has proved a very efficient officer, the records having been well kept and the finances carefully looked after. The Grounds Committee, Messrs. W. R. Sleeper and W. Willibe, also were awarded warm praise for their services during the past year. These gentlemen certainly deserve the thanks of the community for the unselfish way in which they devoted themselves to the work of improvement and beautifying the grounds. They spent a great deal of time for which they received no remuneration whatever.

In past years the board has not been able to make the desired improvements, owing to the lack of funds. Early this year they decided to appeal to the public interest for contributions to be used in improving the grounds. The response was generous. The amounts received from the sale of plots and a collection taken up on Decoration Day enabled the board to accomplish all it had hoped for, early in the year. The public will shortly be appealed to again, the board feeling assured that they will be met with the same hearty response as before, and will thus be placed in a position to carry on improvements so well begun. Mt. Albert will soon have one of the most beautiful and well kept burying places in the country.

WALDWIN BREEZES

The weather is so changeable these days, little wonder there are many ill from tic doloureux, snuffles, inflammation, pleurisy, etc.—all traceable to colds.

Mrs. Jas. A. Cryderman is making a sickly effort to recover from pleurisy.

Treacherous icy footing caused Mrs. Pringle to fall heavily across the edge of a tub severely injuring her side, etc. She is pulling along favorably.

Meetings were held in a number of places throughout Georgina Tp. last week, to interest our young men in recruiting for the army. Our section has already sent a liberal number, and cannot very well spare any more. Among the contingent sent up here from Newmarket was Mr. A. Eves, a fine young man, son of our old-time friends, Mr. and Mrs. Chanley Eves. His style and make up very forcibly reminded me of his uncle, Long John Eves, famous as a long distance runner, years ago. John was said to have been good for a mile in five minutes. It is perhaps necessary to add that no man in the world has been able to do better than 4.12 1/2.

I am very much of the opinion that a good number of our kids need lessons in good manners, not as James A. taught his dog with a dose of shot, but by a liberal application of a well oiled strap to the most appropriate anatomical section. I think "some of our kids are next thing to young pagans."

Last week's icy freeze-up was as good as a fortune to our local son of Vulcan, J. J. Foster, but it has its drawbacks. It's amazing hard on the back, setting shoes. A simple but effective remedy for backache was discovered by a local pater familias in a broad belt of pure rubber across the affected parts. Several local martyrs are now shouting and leaping for joy. Ask Donald.

Just to please the boys, who will not be content unless I tell, in my own individual style, how Pat was lost in the wilderness. So here she goes, "Zip."

"Well, sir, Patrick Cain, So you be at home again."

The balance of this little poetical gem will not appear. I've given you a taste. Be content therewith.

"Faith, if I were you, Patrick, I couldn't kape from getting losht, and alarming my friends, I would never venture into the wilderness at all, at all." You must imagine Pat, as talking to himself. So says he: "Pat, me bye, ye'd better go down into the wilderness away beyant Jerusalem, and cut a bit of good wood to make the stove dance on its hind legs in the cold weather. Begorra an' I'll do that, an' thank ye for the suggestion." Away Pat put for the bush, and labored very faithfully, until he got so turned about as to be able to distinguish north-west from south-east.

"Sure, I'm losht. Wud yus help me out?" whisp'ed the still, low voice.

Getting alarmed at his non-appearance at the approach of evening, a rescue party was organized, prominent amongst whom were Prof. Enoch Brown, 1st violin; Elmer Riddell, 2nd fiddle; Peter the Scotchman (accordion); the sweet musician, and lesser celebrities.

The great joke, so I am told, is that the rescuers got so woefully bewildered, you'd a thought they had discovered a cache of liquid refreshments. Anyhow, I have heard rumors that the C. N. R. R. was turned topsy turvy and Pat had to find himself and rescuers. I cannot vouch for the above, only that it is current news.

Just 18 years since, I saw the Hub of North York, and Queensville, and Sharon. Long time ago, I remember most of them as kids. A few old-timers are still on deck. I'd like to give them a shake of the hand.
