

ENTER THE CHAPELTON HOMES 'GREAT NAME' CONTEST

Think of a great name for our new concept in street townhomes and you could win a luxury weekend for two at the Holiday Inn in Barrie.

Here's how it works.

Our regular street townhomes are attached above and below ground. And look like this.

Our new ones are attached below ground only and look like this.

They're not semis. But at \$39,370. with an attached garage on a 23 foot lot they're priced the same as our semis without a garage on a 30 foot lot.

They also have approximately the same square footage inside, the same features, quality construction, and AHOP/HOME assistance program.

So what do we call them other than a great buy.

Think up a great name, fill in the coupon below and drop it into the Chapelton Homes sales office in Letitia Heights.
