The Orange Bill.

The Western Ontario Orange Association Incorporation Bill was the subject of a long discussion in the House on the 19th. The Committee on Private Bills had reported against the Bill in question, on the ground that incorporation can be obtained under the general Act. Mr. Merrick moved, in amendment to the motion for the adoption of the report, to refer the Bill back to the Committee, with instructions to declare the preamble proven. Mr. Mowat, who supported a similar Bill when originally introduced, pointed out that the enactment of a general measure had rendered a special Act unnecessary. Mr. Robinson supported the Bill, as also did Dr. Barr and Mr. Lauder on the Opposition benches. Mr. Patterson, the member for North Essex, however, took a different view. He declared it was "a piece of miserable political clap-trap of men who had not enough intelligence to frame a political platform on an intelligible political basis, and only designed to create a bitter feeling against the Government." He went on in a very animated speech to repudiate all sympathy with such tactics, or to import sectarian controversies into political discussions. Mr. Scott agreed very much with the Attorney-General. He would have supported the Bill when formerly introduced, but, as a general Act existed, should vote against the amendment. He added that in his constituency many Orangemen even did not feel any desire for such legislation. Mr. Broder and Mr. Creighton both supported the Bill. Mr. Macdougall delivered a violent philippic in favor of the Bill, although he alleged he had in his earlier days voted against a similar Bill in the old Provincial Legislature. Mr. Bell briefly supported the Bill, as also did Mr. Monk. Mr. Graham (Lambton), would support the Bill if the general Act did not provide all that was wanted; but, as the powers given under the general Act were sufficient he should vote against the amendment. Mr. Rosevear saw no harm in, or reasonable objection to, the Bill. Mr. Richardson took the same view. Mr. Currie now, as in former years, opposed the Bill, and corrected Mr. Macdougall's statement that he (Mr. M.) had voted against an Orange Bill, for the latter was not in Parliament when the vote referred to was taken. Mr. Hay and Mr. Paxton opposed the Bill. Mr. Long, as a Catholic member, but representing a large number of Orangemen, had not found among them any desire he should support the Bill, although if the general Act did not cover the case of the Orange Association he would have felt bound to do so. Mr. M. C. Cameron spoke strongly in favor of the Bill, and expressed the opinion that the riotous proceedings in Toronto last October would not have occurred if the former Bill had not been rejected. He predicted trouble if the agitation were still kept open, as it inevitably would be if the Bill was not passed. He warned the Catholics as a minority in the Province not to array themselves against the Protestant majority. Mr. Bethune explained the reasons which would induce him to vote for the amendment. Mr. Crooks expressed his regret at the speech of Mr. Bethune, and argued that on sound Reform principles the Bill should be rejected. He was opposed to all such associations as inimical to the interests of Ontario. Mr. Sinclair would vote against the amendment on the ground that no such societies, whether Orange or Roman Catholic, should be incorporated. Mr Sexton opposed the amendment. Mr. Merrick having spoken briefly in reply to the opponents of the measure, the House divided, and the amendment of Mr. Merrick was lost by—Yeas, 28; Nays, 47; majority against the Bill, 19.

YEAS—Messrs. Appleby, Barr, Bell, Bethune, Boulter, Broder, Brown, Cameron, Creighton, Flesher, Graham (Frontenac), Grange, Haney, Keans, Lauder, Macdougall, (Simcoe), McRae, Meredith, Merrick Monck, Morgan, Preston, Richardson, Robinson, Rosevear, Tooley, Wigle, Wills—28.

NAYS—Messrs. Ballantyne, Bishop, Chisholm, Clarke (Norfolk), Clarke (Wellington), Cole, Coutts, Crooks, Currie, Deroche, Ferris, Finlayson, Fraser, Gibson, Graham (Lambton), Grant, Hardy, Hargraft, Harkin, Jay, Hodgins, Hunter, Lane, Long, Lyon, McCraney, McLeod, McMahon, Mowat, O'Donoghue, O'Sullivan, Pardee, Patterson (Essex), Patterson (York), Paxton, Ross, Scott, Sexton, Sinclair, Soetsinger, Springer, Striker, Wattersworth, Widdifield, Williams, Wilson, Wood—47.

The House adjourned at 10.45.

Gold in Colorado.

COLORADO SPRINGS, Col., Jan. 21.—This locality is ablaze with new discoveries of gold quartz of untold value. Manitau, only five miles from us, is the rest of these fabulous depots of gold. On Monday last some adventurous prospector "struck a lead" that his practised eye gave evidence of paying ore.

The assayer confirmed the story, the town went wild with the excitement, and though the discovery is only four days old, the whole mountain side is covered with prospectors, dotted here and there with the miners' camp, and at night enlivened with the camp fires.

A forty-stamp mill has ordered, and all looks as if our quiet little town was to become the centre of a mining excitement equal only to that of Black Hawk and Central City in the days of '59.

COLLINGWOOD, Jan. 28.—The fire at the Commercial Hotel last night again broke out this morning, and the building was destroyed. Loss about $1,200; no insurance.

UXBRIDGE, Jan. 25.—Uxbridge Village is to have a vote on the Dunkin Bill. The anti-temperance party having failed to carry their measure of tavern extension, have suddenly changed their base of action, and are working strenuously for local prohibition. The temperance party are quite delighted at the turn of affairs, and it is expected that this latest resolution will carry the Dunkin Act. The necessary petition has been filed by the clerk of the village, and the vote will come off in about a month.

Lynch Law in Kansas.

SIX HORSE THIEVES HANGED.

ATCHISON, KS., Jan. 31.

A commercial traveller of this city, just in from Solomon Valley, says that six horse thieves were hanged there a few days ago by a Vigilance Committee. Among those lynched were Hutchinson, Cox, and Connaughty, three desperadoes of the frontier. The thieves were surrounded in their cabin at midnight just after returning from a trip to Nebraska, where they had been to dispose of the stolen stock. They were tried by the lynchers' Court, found guilty, and executed at once.

It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*—Sold only in Packets labelled—"JAMES EPPS & Co., Homœopathic Chemists, 48 Threadneedle Street, and 170, Piccadilly, London. 1y-47.

READ THIS TWICE.—Five to thirty drops of THOMAS' ECLECTRIC OIL will cure common Sore Throat. It never fails in croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years standing; recent cases are cured in three to six days. It has restored the voice where the person has not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For diseases of the Spine and Contraction of the Muscles it is unequaled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever afforded to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. It is worth its weight in gold. Why not buy it to-day?—A. B. DES ROCHERS, assistant postmaster, Arthabaskaville, P.Q., writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used Thomas Eclectric Oil for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—REV. J. MALLORY, of Wyoming N. Y., writes "Dr. Thomas Eclectric Oil cured me of Bronchitis in ONE WEEK. Dealers all over the country say, "We have never sold a medicine that has given such complete satisfaction as this." Sold by all medicine dealers. Price, 25 cents.
