CHRISTMAS DAY  
It is not definitely known when Christmas was first celebrated. The institution of the festival is attributed to Telephorus, who flourished in the reign of Antoninus Pius (131-161 A. D.) The reason for the final choice of De-

ember 25 cannot now be determined. As Christianity spread, the feast of the winter solstice, the time when the day begins to increase, and light to triumph over darkness, was changed into the Feast of Christ, the Light of Life.
