

Nip-Rock 'High' Notes

By BRIAN CANTLEY

The main topic of discussion on the arrival at school Monday morning was the tremendous showing our boys from Nip-Rock put on at Dryden during the Northwestern Ontario schoolboy playdown. Not even the 11-0 slaughter by homes over Toronto during the Saturday night hockey game gained as much recognition as our boys did.

What surprise it was to learn that Nip-Rock had tied Drydes with 5-1 records. But then came the disappointment: Nip-Rock lost to Drydes in the playdown and ended up second. They lost their first game, won their next five and lost the heartbreakers.

Naturally it was a disappointment to see them lose after being so close, but that's life! They are certainly to be commended for the greater display of cooling over put on by our school.

In intra-mural curling, Jim Fabio's team is leading the league with 5 wins and 1 loss followed by Bill Swanton with 4 wins and 1 loss.

On the advice of George Merton, Drama Advisor from the Community Programmes Branch, the drama club has decided to co-produce their selected three-act comedy. Mr. Merton spoke to various members of the drama club and mentioned that such a play would require at least three months preparation especially by such an inexperienced group as ours.

Instead, workshop sessions will be held starting in February at which techniques and other various aspects of drama will be learned. There is still the possibility of a drama night but if there is, it will be after March.

It certainly is noticeable that many students don't get much exercise during the holidays. Mr. Scoull is forever coming up with some new exercise destined to finding rarely used muscles. Those limbs and joints are becoming a common-place now.

The I.S.C.F., is planning a ski-weekend at Moose Mountain this weekend. For seven dollars, the students obtain almost everything except the light lunches for which there is a nominal fee.

Recreation... (p. 2)

has seen on the Red Rock rink with the last money thrown by strip Strub being the determining factor of losing or winning.

SQUARE DANCING

Elmer Swanson caller and instructor for the local Square Dance Club had a very gratify-

ing turnout on Monday night as about 30 seen again from Red Rock and Nipigon were in attendance for a dancing session. Mrs. Phyllis Kadzielawa, physical education teacher at the Nip-Rock High School, was on hand with a number of her pupils and also introduced a number of dances which they have been enjoying during their physical education classes. The regular Sellers and Seas senior followed.

CALLING ALL BOWLERS

All-Star bowling is on deck for each Monday night at the Red Rock Recreation Centre alley. At Penner, Danville, Gordon Danville and "Tim" Williamson are open to all challenges in a three man team competition. Competition may be of either six and four games will be bowled with total pin fall the deciding factor. All bowlers will be scratch bowlers with no handicap. The competition is open to challengers from Red Rock, Nipigon, Terrace Bay, Dorion, Hurontario and Cameron Falls. If interested phone 5483 or 5254.

Pottery Classes at Nipigon

Mrs. Maureen Dampier advises that if anyone is interested in pottery and ceramics that she has all the equipment and material necessary for the introduction to this fascinating craft. Both local and commercial clays

are used and jewelry, ash trays, vases, flower pots and mugs are just a few of the articles that one can produce. So if you are interested contact Mrs. Dampier at 73, Nipigon.

GOOD TURNOUT AT NIPIGON DRAMA

George Merton, Drama Specialist from the Community Pro-

grammes Branch of the Department of Education, spoke to the local drama groups and left them with the impression that there is a little more to drama than meets the eye. During the evening all phases of the actual production of a play were touched upon from the selection, the planning, the directing, the stage setting, the volunteer's

Cost. (p. 5)
