RACE TO RAISES FUNDS: The weather was great Father's Day morning for the 1,000 runners, power walkers and families participating in the 15th annual OTMH Classic presented by Oak-Land Ford Lincoln and Ford Motor Company Canada to race and raise funds to purchase vital medical equipment for Oakville-Trafalgar Memorial Hospital (OTMH) and the new Oakville hospital. More than \$120,000 was raised. Above, Eric Labelle, #1240, leads the start of 15th annual Run/Walk and he would later cross the finish line as the winner of the overall male 5K run. Top female runner was Carolyn Silvey. The title of top adult fundraiser went to Mark Murski and Sandra McAughey, while Sierra Mayer and Bradley Renaud took the honour of top youth fundraisers. At top right, Nick Jelinek races his son Jack while Richard Beed races his daughter Abbie. Below, left, Ronald McDonald greets Kaitlyn Tousaw as she races Kalin O'Brien towards finish line in 1k fun run, which began (at right) with a lot more runners in the field. Shred-It was awarded as top fundraising team. For more information on results or donations to the hospital, visit www.oakvillehospitalfoundation.com.
