

Attention Junior Kindergarten Families

How Well Can Your Child See?

Fribbit Says Know the Facts about Your Child's Vision...

- 1 in 6 children has a vision problem.
- Children don't know what normal vision is supposed to look like.
- Many children don't complain if they can't see well.
- 80% of learning is visual.

Find out how well your child can see.

Halton school boards encourage **EVERY Junior Kindergarten student** to have an eye exam. Junior Kindergarten students are eligible to receive an eye exam and a **FREE pair of eyeglasses** until June 30, 2012 when you present your child's health card.

Book your Eye See... Eye Learn exam today with a participating optometrist.
