FOR SICKKIDS: The sixth annual Jack's Lemonade was at Pine Glen Park Saturday in support of the Toronto Hospital for Sick Children's SickKids Foundation. Jack Yeilding, 9, was treated there for severe epilepsy, which resulted in a trio of brain surgeries. At left, Jack serves lemonade for a donation. At top, Mia Zangari feeds a goat at the petting zoo, below, Jack's brother Christopher plays toss the lemon. At right, top, Amy Spano paints Isabelle Casais' face, Brent the Fire Guy performs, Allister Christie high fives Lenny the Lion and, Evangeline Faltas bursts a balloon for a prize.
