Fertility Problems? Pregnancy Discomfort?

Did you know?

- IVF patients who had acupuncture had a 42% pregnancy rate. IVF patients who did not have acupuncture had a 26% rate.
- A recent study showed a strong link between the resolution of infertility and the initiation of chiropractic care.

(Journal of Vertebral Subluxation Research, May 2003)

We are here to support you through this emotional and exciting time. Call today to schedule your complimentary consultation with Dr. Jenna Davis.
