The future of health care in Halton is here

Halton Healthcare Services (HHS) President and CEO John Oliver stands at the site of the new Oakville hospital on Dundas Street at Third Line. The \$2.7-billion facility, one of the largest community hospitals in Ontario, is slated to open in late 2015. *Halton Hospitals: Building Our Health Care* is a special Metroland Media West four-part project that explores the critical need for, status and funding of numerous hospital expansion/construction projects in Halton's four municipalities — Oakville, Burlington, Milton and Georgetown. The series will focus on the new Oakville hospital in today's edition. **See p.6.
