

# Reliance joins OSC as sponsor of rep program

The Oakville Soccer Club has formed a partnership with Reliance Home Comfort, which will become the premier sponsor of the club's rep program for the 2014 season.

The OSC's rep program is an all-inclusive skills, training and competitive play program focused on the development of every player. The club's teams have traveled as far as Italy, giving

players seeking scholarships or the chance to play professionally an opportunity to showcase their skills. The club's rep program has seen players advance to play in the NCAA, Major League Soccer, the National Women's Soccer League and for Canada's national teams.

"We are thrilled to have developed a significant partnership with Reliance Home Comfort,"

said OSC executive director Dave Harris. "We would like to thank Sean O'Brien and his team at Reliance for the commitment they have made to the Oakville Soccer Club."

OSC's rep program runs year round, offering training to youth in the Under-8 to Under-12 divisions and competitive training for players from Under-13 to Under-21.
