Queen Elizabeth Park Community and Cultural Centre,  
2302 Bridge Road, Black Box Theatre

April 24, 2014 - 7 to 9 p.m.  
Town Hall, 1225 Trafalgar Road, Bronte/Palermo Room

**Your input is important!** The Town of Oakville is reviewing its Private Tree Protection By-law 2008-156. We appreciate your feedback and ideas and we encourage you to get involved.

The Town of Oakville enacted its Private Tree Protection By-law 2008-156, as amended by By-law 2009-145, regulating the destruction or injury of all private trees on October 1, 2008. This by-law was adopted by Council to support a greener community and a healthier environment. It exists to

preserve significant trees on all private properties within the town and to sustain Oakville’s urban forest.

- At the public meetings, you will have an opportunity to review and comment on recommendations for improvement to the by-law including:
- Changing the current size of trees regulated under the by-law from 20 cm diameter at breast height (dbh) to 15 dbh.
  - Eliminating the notification process in favour of a modified permit process.
  - Adopting a simplified replacement formula of one replacement tree for every 10 cm of tree diameter removed.

**If you have questions, comments or accessibility needs,** please email [privatetreebylawreview@oakville.ca](mailto:privatetreebylawreview@oakville.ca)  
The Private Tree Protection by-law and further information on tree protection and removal can be found at [oakville.ca](http://oakville.ca).

### Spring loose leaf collection

April 22–May 2, 2014

Loose leaves will be collected from designated areas in Oakville as follows:

Date	Zone
April 22–25	1,3,4 and 10
April 28–May 2	5,6,7 and 9

#### Collection guidelines

- Place all loose leaves on the boulevard or on the shoulder, not over catch basins or in the ditches in front of your house.
- Ensure leaves are free of garbage or other yard waste materials.
- Put leaves out no earlier than seven days before the first day of your pickup and no later than 7 a.m. on the first day of collection in your zone.

**Please keep leaf piles separate from any remaining ice storm debris including large twigs, brush and branches.** Contaminated piles of leaves or leaves that have been put out after the pickup dates will not be collected.

**Bagged leaf service**  
Halton Region collects bagged leaves and yard waste on the same day as regular garbage pickup. This is a separate

program from the Town of Oakville’s loose leaf collection. Call 311 or visit [halton.ca/waste](http://halton.ca/waste) for more information on your waste collection schedule.

For more information on Oakville’s loose leaf collection, contact: *ServiceOakville* at 905-845-6601 or [serviceoakville@oakville.ca](mailto:serviceoakville@oakville.ca)

## Is there ever a good time to think about cemeteries?

# Yes. Now.

Don't leave the decision to the ones you leave behind.

## Preplan.
