Compost Giveaway

Monday, May 5 to Saturday, May 10, 2014

8 a.m. to 4:30 p.m.

Halton Waste Management Site

5400 Regional Road 25, Milton

Thanks to the participation of Halton residents, approximately 34,000 tonnes of yard waste was composted last year and turned into rich, garden-friendly compost.

Halton residents are invited to pick up some of this compost as a “thank you” for diverting this usable material away from the landfill, thereby extending its life!

- All Halton households are welcome to collect a maximum of seven bags (or equivalent) of compost.
- Please bring your own containers (garbage bags, yard waste bags, reusable containers, trailer, etc.) and shovel.

- Residents are responsible for shoveling and bagging their own compost.
- Non-perishable food items or cash donations will be gratefully accepted on behalf of Halton area Food Banks.

Helpful Hint:

When applying compost to your gardens, ensure you blend it with topsoil or another gardening fill. Recommended application for best growing results is a 60/40 split (60 per cent topsoil and 40 per cent compost).

Spring cleaning? We can help!

Bring your old batteries, paint, compact fluorescent light bulbs, pesticides and cleaners to the Household Hazardous Waste Depot at the Halton Waste Management Site. Maximum 20 litres per visit. No commercial loads accepted. For a list of acceptable materials and helpful hints, visit Halton.ca/hhw.

Thanking doctors during Physician Appreciation Week

Every year, Halton Region and our local hospitals, celebrate Halton’s physicians and recognize their contributions during the annual Halton Physician Appreciation Week (April 28 to May 2). Thanks to our doctors, Halton is a healthy and safe community, and a great place to live. For more than a decade, Halton’s Physician Recruitment program has marketed Halton to current and prospective physicians to help ensure every resident has access to a family doctor. For a list of family doctors accepting patients across Halton, visit Halton.ca/newphysicians.
