"Connected to your Community"

Sunday's (June 1) Home Suite Hope (HSH) inaugural Share the Hope Walk raised more than \$2,600 with more funds still coming in. More than 40 people participated in last weekend's event at Trafalgar Park. HSH assists single-parent families by providing affordable transitional housing and connecting them with support services offered in Halton. Funds from the walk will go towards HSH's two main programs — ReStart Halton and Homeward Bound Halton, which launches this summer. For more information on Home Suite Hope and its programs, visit its website at www.homesuitehope.org.

This brush, or the drill?

We use this brush to apply an antibacterial tooth coating to your teeth. This coating can protect your teeth from cavities and avoid replacement crowns for years.

Call us when you want long-lasting, clinically-tested, effective preventive dental care.
