Three Oakville residents have helped the Erin Mills Eagles under-15 girls enjoy a stellar season in 2014.

Sports Briefs

Borea, a provincial high school medallist last year in cross-country, was also named to the provincial U15 team this season.

The Eagles will compete at a couple of significant tournaments later this year as the players are showcased to university scouts. Erin Mills will play at a tournament in North Carolina next month, followed by the Disney Showcase in Florida during the Christmas break.
