

Midnight Madness

FRIDAY JULY 18
6:00 PM TO MIDNIGHT!

Downtown Oakville celebrates 26 years of madness

On Friday, July 18th, downtown Oakville will host the 26th Annual Midnight Madness Street Party.

This is by far downtown Oakville's largest retail event of the year! Midnight Madness draws crowds of more than 40,000 shoppers to enjoy great music, great food and of course, great shopping.

The streets close down at 6 p.m. and more than 200 retailers keep their doors open until midnight! Restaurants and pubs expand to outdoor patios and music is everywhere - from The Shadows to Super Freak to The Oakville Wind Orchestra to Timmy and the Jets. There's something for everyone!

At 7 p.m. music will fill the streets with live entertainment on every block. Entertainers in the line-up include the hilarious comedy song stylings of "THUD", and the smooth jazz stylings of the Excelsior Jazz Band. Other great performers include Superfreak, The Shadows, The Kings, Irish Dancers, Andy Earle and Band, Halton Travel and Barbados Tourism Authority, Oakville Wind Orchestra, South of the Andes, Marieve and her Midnight Blues, and KICK.

Midnight Madness is proudly presented by the Downtown Oakville BIA and sponsored by 102.9 K-Lite FM, Scotiabank, Mercedes-Benz and Bell.

For more information on this and other events in Downtown Oakville, please call the Downtown Oakville BIA at (905) 844-4520 or visit their website at www.oakvilledowntown.com.

The Downtown Oakville BIA represents over 400 businesses, including retail, dining, financial, business to business, and service industries and is managed by a Volunteer Board of 11 elected and one appointed member.

FACELIFT OF THE FUTURE

Tighter Skin Without Surgery

NO

incisions or
recovery time
required

- Performed with an advanced radio frequency drive called ThermoCool (The Thermage Procedure)
- Radio frequency heats the collagen in the lower layers of the skin and this heating action causes the deep structures of your skin to tighten immediately
- Results will appear gradually in 2 - 6 months
- FDA approved
