

Bronte Taekwondo student Trevor Pallo demonstrates his silver medal winning kicks.

Bronte student scoops silver

A member of Bronte Taekwondo in Oakville captured two silver medals at the Canadian National Taekwondo championships in Winnipeg over the June 27-29 weekend.

Trevor Pallo, 11, competing in the U-32 kilogram 'Fin' division, black belt category, captured a silver medal in both the patterns and full contact sparring competitions.

The Burlington resident trains

out of Bronte Taekwondo which is owned and operated by his uncle, Bill Pallo.

The WTK Taekwondo Association of Canada hosted the meet.

Pallo, a member of the provincial team, earned his second dan black belt under the Chung Won Institute of Taekwondo.

Pallo was a gold medalist at the 2001 national champi-

onships.

Ryan Dowling, a Burlington resident and member at Kicks for Kids, also competed and placed third in the same event.

The following local sponsors helped make the trip possible: Custom Cupola and Steeple; Canawood Trim; N.S. & Sons Painting; Donna Wilson; Arlene Pallo; Howell & Associates; Life Drywall; Marshall-Knight Custom Homes.

Lewis suits up for Canada against U.S.

Canada's national men's volleyball team, with veteran Dan Lewis of Oakville in the line-up, is in the midst of a three-game exhibition series with the U.S.

First game was Monday with Canada losing a thriller that went the limit, 25-18, 22-25, 25-20, 22-25, 15-10.

Action continues tonight (Wednesday) and Thursday in Winnipeg.

The U.S. is currently ranked 13th in the world with Canada ranked 20th

The two teams will both be taking part in the Pan American Games this August 3-16, and are using this series as a 'pre Pan-Am' tune up.

Lang and Matheson with national team

Two Oakville soccer stars have been called up to the national women's soccer team for this week's exhibition series against Brazil.

Games are Thursday in Montreal and Sunday in Ottawa.

Oakville players are Kara Lang and Diana Matheson, both long time members of the Oakville Soccer Club.

Along with Burlington's Melanie Booth, also named to the squad, they chipped in last Thursday night in Oakville at a barbecue in support of the Law Enforcement Torch Run for Special

Olympics that was organized by the Halton Regional Police Service.

Brazil has defeated Canada twice in their only two previous meetings — 4-2 on June 4, 1999 in Portland, Oregon, and 2-1 on July 4, 1996 in South Dakota.

"These games could easily prove to be the Canadian Women's World Cup team's highlight of this summer's preparations for the World Cup," said Canadian national team coach Even Pellerud. The U.S. is hosting the World Cup in September.

Oakville wins all-Halton final in U.S.

The Oakville Cobras girls U-17 rep soccer team won the championship at the BC Kicks Soccer Showcase Tournament in Vestal, New York on the first-class 10-field facility at Binghamton University over the Memorial Day Weekend.

Ironically, the championship

was an all-Halton affair with Oakville defeating neighbouring Burlington Blast 4-0.

Even with the difficult weather conditions the girls took on all comers outscoring the opposition 14-1 and picking up 34 of a possible 36 points in the preliminary round.

Oakville defeated New Jersey Scream 2-0, Mount Hamilton 6-0, New Jersey Furies 4-1 (their only goal on one of two penalty shots) and Pennsylvania Redland Strikers 2-0.

The Cobras also won their Ontario Cup tournament round this past weekend (see story D1).

Red Devils keeper gets European try-out

Nils Binstock, a goaltender for the Oakville Red Devils boys U-16 rep soccer team, is set to try his hand in Europe.

The Burlington resident will depart for Denmark on Aug 4 after being given an opportunity to try out for the youth U-16 team attached to Akademisk Boldklub Copenhagen

Binstock was given a two-year residency permit, and has been accepted to Norre Gymnasium (High School).

Most recently Binstock was guest player for Ajax Gunners U-16 at this year's Robbie tournament and was awarded MVP of tournament.

Binstock expressed his

appreciation for the many coaches and players that have helped him with a special thanks to current coach Mike Griffin, assistant coach Craig Russell and Keeper coach Senad Amautovic.

And he wished his team continued success in league and Ontario Cup play.

The Fifth Annual Premier Charity Golf Classic

Thank You

On behalf of the organizing committee for the 5th Annual Premier Charity Golf Classic, we want to thank all of our participants - sponsors, contributors, players, volunteers and those working at Heron Point Golf Links - for their generous support of this year's tournament. It was a beautiful day, all had fun and the tournament was a success on all levels.

We are proud to report that we raised over \$60,000 worth of contributions for Ian Anderson House, The Oakville Children's Choir, The Kerr Street Ministries and The Oakville

United Way. In today's topsy-turvy economy this is an amazing feat and it just shows how generous our sponsors, contributors, and players were. We could not have accomplished this donation without the support of everyone involved.

Ian Anderson House will put these much needed dollars to immediate use in support of palliative in-house care in our community. The Oakville Children's Choir will use the funds for their Canadian Tour in 2003. The Kerr Street Ministries will put the donation to use in their outreach programs to the less fortunate in the Oakville area. Lastly The Oakville United Way will use the funds to support the many local charities it sponsors.

On behalf of the 5th Annual Premier Charity Golf Classic organizing committee, Ian Anderson House, The Oakville Children's Choir, The Kerr Street Ministries and The Oakville United Way, thank you, again, to everyone who generously supported this year's tournament. Collectively, over the last 5 years, more than \$150,000 has been given out to worthwhile local charities.
