

Youths on Gladacres Lane, led by Tanya Moschella, go carolling for their neighbours at the holidays while collecting food items for Kerr Street Ministries (KSM). When the tally was counted this year, Moschella said they had collected 283 items. Pictured, resident Maria Stojanov listens to the singers. The event has become a tradition for Moschella and the neighbourhood as approximately 30 children, aged two to 11, and their families have formed The Angelic Gladacres Carolers. They share their gift of music and in return ask for canned goods to donate to KSM. This was their fourth annual event. Each year, they have surpassed their previous collection total.

Regional Council works in consultation with stakeholders to gather feedback on the areas that matter most to Halton residents and businesses.

We invite you to provide your comments on the draft Strategic Action Plan at our upcoming roundtable meeting.
