## What being a Beaver carrier means to me!

"I've been an Oakville Beaver paperboy since May this year. Among my favourite sports are karate, cricket and rugby. The Toronto Blue Jays are the best baseball team in the league. I enjoy watching TV, using the computer and playing outdoors. My favourite food hangout is Harvey's. I'd like to save my points up for prizes."

**Gourville Bezuidenhout, Age 11**  
Beaver deliverer since 2003

"I enjoy delivering the papers for The Oakville Beaver very much. I also belong to "K.I.S.S." (Kids Inspiring Selfless Service) at my school Post's Corners. I play soccer and my favourite hockey team is the Toronto Maple Leafs and Curtis "Cujo" Joseph is my favourite goalie. On the weekends I ride my bike or scooter and shoot baskets with my friends. My sisters Kelsey & Meghan and I play with our dog Rex. I'm saving my points for something big!!"

**Shane Drake, Age 12**  
Beaver deliverer since 2001

"I enjoy delivering the Oakville Beaver newspaper. I'm in Grade 8 at Heritage Glen Public School and like taking language arts, science and geography. My hobbies are tennis, athletics, walking and especially riding my bike. Of all my favourite foods I like pizza with fries the best. In the future, I want to volunteer in community work. With my points, I plan to get a Roots voucher."

**Aaron Gill, Age 13**  
Beaver deliverer since 2002

"I have had my paper route with the Oakville Beaver for almost 2 years and I enjoy delivering the papers very much. My favourite sports are hockey and baseball. My favourite sports team is the Maple Leafs, and Darcy Tucker is my favourite player. On weekends my favourite things to do are Warhammer, and play video and computer games. I have 2 cats and 2 hermit crabs as pets. I have 2 sisters who are twins. My favourite food is chicken wings. I plan to buy something from the catalogue with my points."
