At the annual Oak Park Neighbourhood Centre Fun Fair held Saturday afternoon, Sara Hawkins, left, gives the thumbs-up to a climbing instructor while making her way up a climbing wall. At right, top, Alyssa Hodder (centre) along with her three-year-old daughter, Calla Lepage, got a chance to meet one of the Ninja Turtles. Below, left, Heidi Song and Sydney Pearce smile from way up in the bucket of an Oakville Hydro truck. At right, Greg and Maddie Tallon check out the inside of a Halton Regional Police Service SUV.
