Jobeys &

MANAGER

MAINTENANCE

Reporting directly to the Director,

Engineering, Purchasing and Mainte-

nance you will manage the day to

day maintenance and preventive

maintenance programs for both store

buildings and equipment. You will

provide strategic planning of the de-

partment's long term objectives and

functions, operate cost effective

maintenance programs. You will be

responsible for facilities management

of the Ontario offices and assist in

the development and updating of a

Maintenance Tracking and Reporting

Software Package. In addition, you

will ensure compliance with Health

& Safety and the Ministry of Labour

You have a diploma/degree in Archi-

tecture or Engineering, coupled with

solid technical maintenance and re-

frigeration knowledge and experi-

ence in a grocery environment.

Knowledge of facilities management

would be an asset. You are self-moti-

vated and capable of simultaneously

handling multiple projects in a fast

paced environment with aggressive

deadlines. You have sound human

relation skills and the ability to relate

to all levels of personnel and man-

A competitive salary and benefits

package is available to the successful

candidate. If you would like to be

considered as part of the Engineering

department, please send your resume

Human Resources Department
