

# Filane: wants to stay in the sport

(Continued from page D3)

our gym in Toronto and we also have some back in Schreiber.

"I just want to stay in the sport and give back a little bit of the stuff that I've learned and give to some other kids and hopefully they can have some of the opportunities that I have had."

With his impressive resume, Filane has, in the past, been approached about turning pro, and he's always turned them down. He's not a fighter by his trade, but by his sport.

"I've had offers to turn pro, whether it be in

Detroit, Los Angeles. But it's not a lifestyle for me. It's a different game altogether. I got into boxing because I love the sport. I enjoy doing it. Right now I'm doing it for the love of country where I'm not just doing it for myself, I'm representing my country while I'm doing it.

"Professional boxing is a little more money hungry and you're treated just like a race horse. That's something that I didn't ever want to have to worry about, you know, fighting for food, or 10 years down the road my kid pulling my pant legs, saying Daddy when are you going to fight again, I want another bike. It's something that never appealed to me."

## Thrilling 6-5 O.T. win clinches series

A thrilling 6-5 overtime win in Owen Sound has advanced the **Oakville Rangers minor team** to the next round of the playoffs against Hespeler.

Oakville won the best of five series 3-1 but with all games settled by a difference of one goal.

Oakville appeared to have the game wrapped up when they made it 4-1 in the third period, but give Owen Sound credit, they battled back to tie it at 4-4.

And give Oakville credit, too. They bent but they did not break, going ahead 5-4. Owen Sound then tied it at 5-5 to sent it into overtime.

Jamie McKeown was the hero for Oakville, scoring the winner at the 4:02 mark of overtime.

Oakville outshot Owen Sound 27-15. Scoring summary ... Goals were scored by Jamie McKeown (2), Matt Grigg, Tyson Theaker, Joe Cicchini and Matt Downer. Assists went to Anthony Farrow (2), Harry Hristopoulos (2), Spencer Jenkin (2), Grigg, Theaker and Brett Chandler.

### Creating Quality Play Experiences for Children.... It's More Than Kidstuff!

With over 300 community sport and recreation groups in Ontario, did you ever wonder who was making sure that our children were receiving a consistent and quality play experience? Until recently NO ONE!

Recognizing the important role that organizations and groups play in providing activities to over 1.2 million children across the province, Parks And Recreation Ontario established **HIGH FIVE** - a quality assurance program for community sport and recreation programs. The **HIGH FIVE: Quality at Play** initiative provides easy to use resources for community sport and recreation groups to create and maintain quality play experiences for children.

### Halton takes the lead on HIGH FIVE!

At a time when this initiative is gaining international recognition, the local communities of Halton Hills, Milton, Oakville, and Burlington have taken a lead role in bringing **HIGH FIVE** to Halton. Having experienced the success of **HIGH FIVE** training and resources with their own programs, the Halton **HIGH FIVE** Coordinating Committee (representatives from all four municipalities and the Region of Halton) is encouraging community sport and recreation groups to jump on board.

### Local Sponsorship provides HIGH FIVE resources to all Community Sport & Recreation Groups in Halton!

Committed to the principles of "healthy youth development" the Optimists Clubs of Georgetown, Milton and Oakville, as well as Metroland, have contributed \$14,000 to ensure that the **HIGH FIVE** resources will be provided FREE to volunteer sport & recreation groups throughout Halton. Community meetings have been planned in each municipality (below) to inform groups about the **HIGH FIVE** project and distribute these resources.

### CHOOSING THE BEST PROGRAM FOR YOUR CHILD...

#### A Parents Guide to Recreation and Sport,

is another resource of the **HIGH FIVE** initiative. The booklet provides parents with information on the various social, physical and developmental benefits of recreation, and discusses the principles of healthy child development. Soon, parents will know that programs using **HIGH FIVE** resources are those that provide a consistent quality play experience for their children.

## In Memoriam

**CHERNECKI, Heidi** - In loving memory of Heidi, Who passed away February 09, 1999.

The Gift of Friendship  
Friendship is a priceless gift that cannot be bought or sold. But its value is far greater than a mountain made of gold. For gold is cold and lifeless, it can neither see nor hear. And in the time of trouble, it is powerless to cheer. It has no ears to listen no heart to understand. It cannot bring you comfort or reach out a helping hand. So when you ask God for a gift, be thankful if He sends Not diamonds, pearls, or riches, but the love of real true friends. Forever loved Marg
