ONWARD, CHRISTIAN SOLDIERS

Onward, Christian soldiers, marching as to war, With the cross of Jesus going on before;
Christ the Royal Master leads against the foe; Forward into battle, See, His banners go.

Onward, Christian Soldiers, marching as to war
With the cross of Jesus Going on before.

Like a mighty army moves the Church of God;
Brothers, we are treading where the saints have trod;
We are not divided, all one body we, One in hope doctrine, One in charity.

Onward, Christian Soldiers, marching as to war
With the cross of Jesus Going on before.

Crown and throne may perish, Kingdoms rise and wane, But the Church of Jesus constant will remain;
Gates of hell can never 'Gainst that Church prevail; We have Christ's own promise, and that can not fail

Onward, Christian Soldiers, marching as to war
With the cross of Jesus Going on before.

Onward, then ye people, join our happy throng, Blend with ours your voices in the triumph;
Glory, laud, and honor unto Christ the King; This thru' countless ages men and angels sing.

Onward, Christian Soldiers, marching as to war
With the cross of Jesus Going on before.

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.
