**In Memoriam**

**PERRY, MURIEL SHIRLEY**  
1927 - 1998

A mother is the spirit that dwells in the home. A teacher of love is she. Her faith is one that believes in spring, when snow glistens on the trees.

While rainbows sour and birds fly high, While autumn paints the leaves. A mothers eyes can look and grasp the beauty in these.

The child grows tall with skyward eyes and dares to seek a dream, and learns a mother is a gift that sometimes goes unseen.

The child is me and my mere words could never quite explain. So God made you to give the meaning to the Mothers Name
