DOCHERTY, Neil McKerrell (Marine Engineer) Father to George and Doreen, Pappy to Tuula, Kelly, Pipsan, Aidan, Keegan and Torin. Neil has sailed his final voyage to be with his most beloved Elizabeth Jessie MacDougall Docherty. Born in Glasgow, Scotland in 1921 and connected through his mother Euphemia McKerrell to the beautiful Isle of Islay. Neil spent most of his life at sea. As a young Engineer in the British Merchant Navy he was torpedoed on the Maritima in November of 1942. Hit by two torpedoes the ship broke up and sank within three minutes. Neil was critically wounded, picked up from the icy waters and taken to Iceland where he spent months recovering. After marrying in Islay and having two children, Neil and Jessie immigrated to Canada, first to Kingston, Ontario and the last 33 years to Oakville. For most of this time, Neil resided in our family home in Oakville with is son George. They found great peace in one another's company and were "the best of friends" When Neil recently took ill, he moved to Calgary, Alberta to be with his daughter Doreen and family. This wonderful, gentle man who sat for hours with his grandchildren telling stories of his travels and adventures passed peacefully away with Doreen and Andrew by his side on Wednesday September 8, 1999. Funeral Service 2:00pm Monday, September 13, 1999 at Hopedale Presbyterian Church, Oakville with visitation 1 hour prior to Service. Interment St. Jude's Cemetery. Arrangements entrusted to Kopriva Taylor Community Funeral Home, Oakville.
"Sail on, nor fear to breast the sea!
Our hearts, our hopes are all with thee,
Our hearts, our hopes, our prayers, our tears,
Our faith triumphant o'er our fears,
are all with thee - are all with thee!"
