

District gold sends Angels on to the provincial finals

After a weather-packed weekend that went from scorching sun to torrential downpours, the final result was a rainbow of gold for the **Oakville Angels midget girls softball team**. From Friday, July 30th till Sunday, Aug. 1st, some of the best ball in Ontario was being played in Markham as they hosted the regional playoffs for eastern Ontario (the western play-offs were held at the same time in Windsor). After a season of ups and downs, the Oakville Angels Midget team went undefeated in their run for the gold medal and earned their way into the provincials which are being held this weekend (Aug. 20th to 22nd) in Brampton. The road to victory consisted of some very good, very close games. After coasting to a 6-1 win against Cobourg, it became a pitchers' battle involving Jennifer Bartlett of the Chinguacousy Cougars against the Angels' Kim Ferris. After nine long innings (including two extra innings), Oakville prevailed with a 1-0 win. It was then on to the Port Perry Angels and another tough 1-0 win for Oakville. The final game saw Oakville facing the Port Perry Angels and again it seemed to be a pitchers' dual. At the end of regulation seven innings, it was a 1-1 tie and into extra innings the game went. After a questionable call at the plate during the 8th inning involving Stefanie Simao, she rallied back and proved that the game is played on the field when she smacked a timely hit up the middle scoring the two base runners for a 3-1 gold medal win for Oakville. Final standings for the weekend were: Oakville Angels, Gold; Port Perry Angles, Silver; Markham Tiger, Bronze; and the Thornhill Diamondbacks, fourth place. All the above teams earn a trip to the provincials.

Oakville 'Kanata' quite win tourney final

Ask any Little Leaguer what's the best tournament he has ever participated in, and he/she will tell you that the Scott Tokessy Memorial Gold Glove in Kanata, Ontario, tops them all. Scott was a popular 12-year-old, who died suddenly in May 1996, of an irregular heart-beat, after hitting a home run for his house league team. The tournament attracts teams from the Ottawa area, Toronto, Oakville, Ancaster, and Buffalo, and it was with pride that **Oakville's Little League AA All Stars** entered this year's tourney. The team under manager, Dave Downer, has won their level the past two years. Could they do it again? Their first game against East Nepean was a 6-2 win, but not a cake-walk. A triple by Tyson Theaker with Marco Dordevic on-board broke a scoreless tie in the third, followed by consecutive doubles in the fourth by Roger Lambert and Scott DeGroot, and a single by Jeremy Webster, with all scoring runs, for a 4-0 lead. The teams exchanged a two run inning in the fifth, with the two Ryans, Malhotra, and Mallough, scoring runs for a 6-2 win. Chris Stewart scored the first run of an 18-3 romp over South Ottawa, with following runs by Matt Downer (2), A.J. O'Brodovich (3), Lambert (1), Webster (2), Malhotra (2), Adam Davidson (2), DeGroot (2), Theaker (2), and Daniel Keresteci (1). On the hitting side, O'Brodovich had a triple and a double, Theaker, a triple and a single, Davidson a double, DeGroot, two singles, Patch Channing, Lambert, Malhotra and Daniel Keresteci, singles. Bring on a real tough one for the third game, Ottawa Carlingwood, who jumped into a quick 3-0 first inning lead, with Oakville's Lambert, Davidson and DeGroot evening it up in the second, only to see Carlingwood move ahead 4-3 in their half. One run in the fourth (Mallough) and two in the fourth (Lambert and Webster) made it 6-4. Another run for Carlingwood in the fifth made it 6-5. Lambert singled in a run (Stewart) to make it 7-5. Carlingwood added a sixth run but it was not enough as Ryan Mallough closed the door on further scoring, to preserve the 7-6 win. Three wins moved Oakville into the championship game with Kanata, that went five innings without a run by either team, only to see Kanata come up with three in the top of the sixth, and that was all they would need for the 3-0 win. Singles by Stewart (2), and O'Brodovich were all that Oakville could muster despite some fine pitching by Davidson, Downer, Mallough, and Black, who all shone throughout the tournament. Summing it up, manager Downer put it succinctly, "Kanata's pitching was the best we've seen all year." Would the team like to go back again next year? You betcha!

Blue Stars win Kitchener International

The **Oakville U-9 Rep Soccer Blue Stars** won the Kitchener International tournament. They went 5-0 on way to the championship and outscored their opposition 19-4. Goalie Victor Carreiro had three shutouts in their division games where the Blue Stars defeated North Mississauga 4-0, Darlington 3-0 and East York 3-0. The goal scorers in these games were: Kyle Bekker, Theo Koolen, Matthew Healy (3), Chris Tsipas (3), Satpal Ubhi, and Lucas Severin. Assists went to Mitch Houlahan (3), Ben Estey Rojas (2), Matthew Healy, and Kyle Bekker. In the semifinal, the Blue Stars met Markham. The game at half-time was 1-0 for the Blue Stars on a penalty kick by Kyle Bekker but the Blue Stars came on in the second half scoring four more goals before Markham notched their lone marker. The goal scorers where Kyle Bekker (3), Mitch Houlahan and David Slattery. Assists went to Matthew Healy, Lucas Severin, Theo Koolen, Satpal Ubhi and Chris Tsipas. In the final, the Blue Stars met their league division rivals Chinguacousy. On a very windy field, the Blue Stars jumped to an early 3-0 lead on two goals by Satpal Ubhi and one by Kyle Bekker. Bekker's was a spectacular shot on a feed by forward Chris Tsipas. Chinguacousy responded in the first half on two breakaway-type goals and then notched the equalizer mid-way through the second half. The Blue Stars turned the efforts up against a strong wind and took control of the last 10 minutes of the game. Their efforts paid off with two minutes to go in regulation time as Chris Tsipas drilled in the winning goal assisted on a great effort by Mitch Houlahan. The Blue Stars have now won three U-9 tournaments in three tries and have not lost a game in doing so. Combined with their league and cup record in the U-9 age group, they are a perfect 32-0.

Semifinalists at National Capital invitational

The **Oakville Storm, girls U-12 AA rep team**, were semifinalists at the prestigious National Capital Invitational Girls Soccer Tournament in Ottawa. Competing with 20 teams from the U.S., Quebec, and Ontario, the Storm ended up in the top four, losing out to Scarborough, the eventual tournament champions. In the tournament round, the Storm played four games, were undefeated and outscored their opponents 13-1. The opening game, against a big side from Sudbury, was a 1-0 win with Kate Longmoore scoring the goal. The Storm were warned up for their second game against Alymer, a fast Quebec team. A pair of goals each to Jenny Ryan, Laura Cossitt and Tessa Young gave the Storm a 6-0 win. The next day, the Storm met Nepean who they had beat 4-0 a week earlier in the Ontario Cup round. In front of their hometown crowd, Nepean took an early lead scoring in the opening minutes of the game. The Storm took control of the game and goals by Laura Cossitt (2), Sarah Canteenwalla and Kate Longmoore resulted in a 4-1 win. The final opening round game was against a very physical team from St. Catharines. A tough first half ended scoreless. In the second half, strong midfield play by Danielle Bernier and Tessa Young resulted in a great play that split the defence. A wide ball followed by a great cross from Sarah Canteenwalla to Kate Longmoore for a pretty finish put the Storm on the score board. An insurance goal from Sarah Canteenwalla came on a strong free kick. The storm won 2-0. The Oakville Storm met the old foes Scarborough United Golden Magic in the semi-finals and dropped behind three goals in the first half. In the second half, a strong effort from the defence kept the half scoreless. In the final minutes, a header by goalie Kelly Alp robbed Scarborough of a sure goal. The result was a 3-0 loss to Scarborough who went on to beat Brams United in the finals. Coaches Cecil Canteenwalla and Gary Trotter were very pleased with the weekend results. Trainer Sue Dykstra and manager Mike Alp were kept very busy all weekend with a variety of injuries and tasks. The Oakville Storm is rounded out with Kelly Terceira and Robyn Link in the midfield and Nikki Dykstra, Renee Trotter, Lisa Melander, Sarah Cheung and Ashley Evans in defence. A special thanks to guest player Anne Dykstra from the Oakville U-12 All Stars. The Oakville Storm is sponsored by Abbey Oaks News, Elf Atochem Canada Inc., Intercity Realty Inc. and Linktech.

Morningstar holding fifth break-a-thon

Mike Morningstar of Morningstar Taekwondo intends to break 2,000 one-inch thick pieces of wood with his bare hands and feet. It's actually the fifth time he's undertaken such a break-a-thon, and for the third time all proceeds will be donated to the Heart and Stroke Foundation. Centre Court in Oakville Place will be the site as it has for the past four events. This year's break-a-thon will take place on Sat., Sept. 18. "People should really take their health more seriously before it is too late," said Morningstar. "Heart disease and stroke are Canada's number one killers and it makes me feel good that I may do something to help the research."

Blades dinner and dance Friday night

(Continued from page D3) McDonald has brought in two new coaches, Brian MacDonald (no relation) and Peter Sessile. The Blades have struck an affiliation with the Junior B Stoney Creek Spirit. For those, on the internet, they also have a snazzy looking webpage which can be accessed at (the easily recalled) ... www.oakvilleblades.com Some important early season dates to remember are September 9-12th when the Blades will host (at their Ice Sports Oakville home) a huge Ontario Hockey Association pre-season tournament with several prominent American Junior A teams in town. Their home (and season) opener is on Friday, September 17th against the Buffalo Lightning. That same weekend they compete in the annual OHA college showcase weekend in Mississauga, playing their divisional cross-over game on Sunday, noon, against Stouffville. And last but not least, all Blades supporters are invited to the Oakville Blades Dinner and Dance (and silent auction) on Friday, August 20th at the Oakville Power Boat Club. Just drop into their training camp to pick up tickets.

Public Notice

REVISED NOTICE OF ENVIRONMENTAL SUBMISSIONS AND EXEMPTION ORDERS HIGHWAY 407 ETR WEST EXTENSION QEW (FREEMAN INTERCHANGE) TO OAKVILLE LINK WITH HIGHWAY 403

The 407 ETR Concession Company Limited (407 ETR) is the private sector entity which has the obligation to develop, design, build, operate, maintain, repair and toll Highway 407 from the Queen Elizabeth Way in the City of Burlington to Highway 7 east of Brock Road in the Town of Pickering. The 407 West Extension includes the segment of the highway from the QEW Freeman Interchange in Burlingtong easterly to the Oakville Link Interchange (Highway 403) in Oakville. The initial stage of the West Extension project involves construction of a 6-lane toll highway within the above-mentioned limits by August 2001 (please refer to accompanying key map).

This phase follows earlier planning studies, design engineering and public consultation conducted by the the Ministry of Transportation for the highway, including public hearings through the Parkway Belt West Planning Study. The planning, design, construction and operation of Highway 407 from the QEW to the Oakville Link Interchange, have been exempted from the full application of the *Environmental Assessment Act* by Exception Orders MTC-21/2, MTC-47 and MTC-52 (dated 1980, 1981 and 1983 respectively). This revised notice is intended as an amendment to the original notice (placed in the Burlington Post & Oakville Beaver, July 7, 1999); both notices are distributed in accordance with the conditions of the Orders.

Design and Construction Reports (DCRs) are being prepared and submitted to the Ministry of the Environment (MOE) for placement in the Public Record in accordance with the conditions of the Exemption Orders and will be available for review at MOE, Central Region Office, 5775 Yonge Street, 8th Floor, Toronto, Ontario M2M 4J1. One DCR (W1A) was released on July 5th, five DCR's (W1B, W1C, W2, W3, WS1A on July 12 and 1 DCR (WS3) on July 20 as per the original notification. The following revised schedule is for the remaining DCR's for the **Highway 407 ETR West Extension**:

<u>SECTION</u>	<u>DCR DESCRIPTION</u>	<u>ORIGINALLY ANTICIPATED SUBMISSION DATE</u>	<u>REVISED SUBMISSION DATE</u>
WS2	- CN Rail Crossing	July 20	Aug 17
WS1B	- 16 Mile Creek Bridge	July 20	To be determined

In addition, a copy of the documentation is being made available at the Burlington Central Library at 2331 New Street and the Oakville Public Library at 120 Navy Street.

The review period for each DCR terminates 30 days following the date of submission after which 407 ETR may start construction, subject to receiving all other required approvals, permits and authorizations. 407 ETR will continue to screen the components of the project during their design for significant new concerns and to ensure that the project progresses in compliance with the commitments made in the DCR's.

Please direct any comments on the WS2 DCR by September 16, 1999 to:
