## We Couldn't "Bear" It

Four out of five kids are not correctly buckled into a car seat when riding in a motor vehicle. Is your child one of them?

At The Co-operators, we care about the safety of young children, so we partnered with the Canada Safety Council and the Infant and Toddler Safety Association to help address this alarming statistic.

Find out more about correct installation and use of car seats at a Good Bears Buckle Up car seat clinic.

**Call The Co-operators at  
(905) 681-7711**
