Missing You

No words I can write can ever say  
How much I miss you everyday.  
As time goes by, the loneliness grows;  
How I miss you, nobody knows.  
I think of you in silence, I often speak your name,  
But all I have are memories and photos in a frame.  
I've never stopped loving you I'm sure I never will.  
Deep inside my heart, You are with me still.  
My heart still aches as I whisper low,  
"I need you and I miss you so"  
There is a place in my heart that no one else can fill  
I love you so, Dad, And I always will.

Love Marinus

Our lives go on without you  
But nothing is the same,  
We have to hide our heartaches  
When someone speaks your name.  
Sad are the hearts that love you  
Silent the tears that fall,  
Living our hearts without you  
Is the hardest part of all.  
You did so many things for us  
Your heart was kind and true,  
And when we needed someone  
We could always count on you.  
The special years will not return  
When we were all together,  
But with the love within our hearts  
You will walk with us forever.  
I'll Love You Always Dad  
Love Connie
