

I met with Margret Molson on August 10 1982 at her home. From this meeting I found out the following;

MOLSON SKI HILL PETAWAWA

From: TED MALKIM The chalet was built in 1961

**** ORIGINAL COPY OF THE DEED FOR LAND RECEIVED FROM THE QUEEN**** it states:

This land was later bought by HERMAN MAULSON
FROM: GODFIED APPLER ON: MARCH 27 1894 FOR THE SUM OF: \$200.00 plus
+ the house that stood on the land would be kept by the Applers
where they would remain living, the Maulsons would have to build their own house,
+ 200 pounds of pork,
+ 10 bushels of pease [SIC] (peas)
+ 6 cords of wood
+ and the use of a horse and cutter whenever the Applers needed it
+ and to be allowed to keep two cows in the pasture.

She also has her Grandmother's original certificate of Naturalization.
