

MRS. VIOLA NITSCHKE

RR#6 PEMBROKE

MEETING WITH MRS. V. NITSCHKE AND MRS. ADELE SACK ON AUGUST 18

When I went to meet with Mrs. Nitschke she invited me into her home. She had some things on the table which she thought might be of some interest to me. On the table were the following items:

CROWN SALE

BOIRE

LATER THIS WAS BOUGHT BY:

After I looked at these Mrs. Nitschke brought me into the living room and introduced me to her mother Mrs Adele Sack. We started talking and I asked Mrs. Sack if she would mind if I turned on a tape recorder. She had no objections. Mrs. Sack is very hard of hearing so I had to speak quite loudly for her to hear me. This interview went well. Mrs. Sack is 94 years old but she had no problem remembering what it was like living in Petawawa many years ago.
